3.2 **Replacement of Principal's Representative**

The Principal may at any time replace the Principal's Representative, in which event the Principal will appoint another person as the Principal's Representative and notify the Contractor of that appointment.

Any substitute Principal's Representative appointed under this clause 3.2 will be bound by anything done by the former Principal's Representative to the same extent as the former Principal's Representative would have been bound.

3.3 **Principal's Representative's representative**

The Principal's Representative may:

(a) by written notice to the Contractor appoint persons to exercise any of the Principal's Representative's functions under the Contract;

(b) not appoint more than one person to exercise a specific function under the Contract; and

(c) revoke any appointment under paragraph (a) by notice in writing to the Contractor.

All references in the Contract to the Principal's Representative include a reference to a representative appointed under this clause 3.3.

3.4 **Contractor's Representative**

A Direction is deemed to be given to the Contractor if it is given to the Contractor's Representative.

Matters within the knowledge of the Contractor's Representative are deemed to be within the knowledge of the Contractor.

If the Principal's Representative makes a reasonable objection to the appointment of a representative by the Contractor, the Contractor must terminate the appointment and appoint another representative, subject again to the reasonable objection of the Principal's Representative.

3.5 **Key people**

The Contractor must:
(a) employ those people specified in the Key Details, including the Contractor's Representative, in the jobs specified in the Key Details;

(b) subject to paragraph (c), not replace the people referred to in paragraph (a) without the Principal's Representative's prior written approval; and

(c) if any of the people referred to in paragraph (a) die, become seriously ill or resign from the employment of the Contractor, replace them with persons approved by the Principal's Representative of at least equivalent experience, ability and expertise.

3.6 Removal of persons

The Principal's Representative may by notice in writing instruct the Contractor to remove any person from the Contractor's Activities who in the reasonable opinion of the Principal's Representative is guilty of misconduct or is incompetent or negligent or who, in the opinion of the Principal, may bring the Principal into disrepute.

The Contractor must ensure that this person is not again employed in the Contractor's Activities.

3.7 Background checks

(a) The Contractor must undertake all necessary background checks of its Personnel involved in the performance of the Contractor's Activities to ensure that they are fit and proper to do so.

(b) Without limiting the generality of paragraph (a), where requested by the Principal, the Contractor must carry out any specific background checks of its Personnel as reasonably required by the Principal from time to time, including a criminal history check, and provide the results of those checks to the Principal's Representative within 2 Business Days of receipt.

(c) Where the outcome of a background check reveals that any of the Contractor's Personnel are not fit and proper to be involved in connection with the performance of the Contractor's Activities, the Contractor must not use those Personnel in the performance of the Contractor's Activities.

(d) The Contractor acknowledges and agrees that:

   (i) all background checks will be undertaken at the Contractor's cost, unless otherwise agreed by the Principal in writing; and

   (ii) the Contractor is solely responsible for obtaining all necessary consents, in accordance with the Privacy Laws, in connection with the conduct of any background checks and the provision of the results of the background checks to the Principal and its Personnel where requested.

4. Security

4.1 Form of security

(a) This clause 4.1 applies where so stated in the Key Details.

(b) The Contractor must provide security in the form of an Unconditional Undertaking for the amount stated in the Key Details.

(c) Security must be provided within 10 Business Days of the Award Date.
4.2 Release of security

(a) Subject to its rights to have recourse to the security, the Principal must release security then held within 20 Business Days of the expiry of the Term (or, where there is no Term, on completion of the Contractor's Activities), provided that the Contractor has complied with all of its obligations under the Contract.

(b) If the Principal terminates the Contract pursuant to clause 14.7 then to the extent that the Principal has not had recourse to it, the Principal must release all security then held by it when the Contractor has complied with its obligations under clause 14.8(a)(ii).

4.3 Replacement security

(a) If the Principal holds security provided under clause 4.1 which contains an expiry date which is earlier than the date upon which the Principal is required to return the security to the Contractor, the Contractor must, on or before the date which is 20 Business Days prior to the expiry date for that security, provide the Principal with replacement security in the form of an Unconditional Undertaking in exchange for the security which is being replaced.

(b) If paragraph (a) applies in respect of any security and the Principal has not received from the Contractor replacement security in the form of an Unconditional Undertaking at least 20 Business Days prior to the expiry date for that undertaking then, irrespective of anything contained in, and without limiting the Principal's rights under, the Contract or the security, the Principal may make a demand under the security for the entire amount payable under that security and thereafter retain the proceeds.

(c) Subject to the Principal's rights under the Contract to use these proceeds, the proceeds from any demand made by the Principal pursuant to paragraph (b) will be paid to the Contractor at the same time as the Principal would have been required to return the security from which the proceeds were obtained.

4.4 Additional security

(a) If the Principal directs a Variation under clause 11.2 which increases the Contract Price, the Principal may direct the Contractor to provide additional security so as to ensure that the amount of the security then held by it equals the amount stated in the Key Details.

(b) The Contractor must provide additional security in the form of an Unconditional Undertaking within 10 Business Days of a Direction under clause 4.4(a).

4.5 Interest

The Principal:

(a) is not obliged to pay the Contractor interest on any Unconditional Undertaking provided under clause 4.1, 4.3 or 4.4, including the proceeds of any bank guarantee if it is converted into cash; and

(b) does not hold the proceeds or money referred to in paragraph (a) on trust for the Contractor.

4.6 Parent company guarantee

(a) Subject to clause 4.6(b), if the Contractor is required by the Key Details to provide a parent company guarantee, the Contractor must, on the Award Date, provide the Principal's Representative with a parent company guarantee:
(i) in the form set out in Schedule 5 of the Appendix with all particulars completed; and

(ii) duly executed by the person named in the Key Details (Guarantor).

(b) The Contractor is not required to provide a parent company guarantee under clause 4.6(a) if it has provided a parent company guarantee under the Standing Offer Deed (if any).

5. Risks and insurance

5.1 Contractor's indemnity

The Contractor must indemnify the Principal from and against:

(a) any loss of or damage to property of the Principal, including the Principal's Material; and

(b) any liability to or Claims by any person against the Principal in respect of loss of or damage to any property or injury to or death of persons,

caused by, or arising out of, or in any way in connection with, the Contractor's Activities provided that the Contractor's responsibility to indemnify the Principal will be reduced to the extent that an act or omission of the Principal, Principal's Representative or an Other Contractor engaged by the Principal may have contributed to the loss, damage, injury or death.

5.2 Contractor insurance obligations

The Contractor must:

(a) from the Award Date, effect or have in place the following insurance with insurers and on terms satisfactory to the Principal's Representative:

(i) Professional Indemnity Insurance and Workers' Compensation Insurance; and

(ii) if an amount is included in the Key Details for such insurance, Public Liability Insurance,

for at least the amounts referred to and with the maximum deductibles specified in the Key Details;

(b) ensure that each Subcontractor and Further Subcontractor has Workers Compensation Insurance covering their employees at all times at which the Subcontractor or Further Subcontractor performs the Contractor's Activities or is otherwise engaged in relation to this Contract;

(c) ensure that if the Contractor's Activities are to be carried out on or near rail, the Public Liability Insurance does not contain any exclusions or limitations in cover in respect of works conducted on or near rail;

(d) ensure that the Public Liability Insurance complies with the requirements set out in the Key Details;

(e) provide the Principal's Representative with copies of certificates of currency for the insurances referred to in paragraphs (a) and (b) as required by the Principal's Representative from time to time; and

(f) upon request by the Principal's Representative, promptly provide the Principal's Representative with a copy of any insurance policy that is either in the joint names
of the Contractor, NSW Trains, Transport for NSW, the Principal and TAHE, or extends the benefit of cover to the Principal, NSW Trains, Transport for NSW and TAHE as insureds in respect of their vicarious liability for the acts or omissions of the Contractor and its Subcontractors.

5.3 Period of insurance

The insurance which the Contractor is required to have in place under clause 5 must be maintained:

(a) in the case of Public Liability Insurance and Workers Compensation Insurance, until completion of the Contractor's Activities; and

(b) in the case of Professional Indemnity Insurance, until the expiry of 6 years following completion of the Contractor's Activities.

5.4 Insurers

Unless otherwise approved in writing by the Principal, the insurance that the Contractor is required to have in place under clause 5.2 must be maintained with insurers that:

(a) are authorised under the Insurance Act 1973 (Cth) to carry on an insurance business in Australia and are supervised by the Australian Prudential Regulation Authority; and

(b) have a credit rating of not less than A from Standard & Poor's, A2 from Moody's Investor Services or A- from A.M. Best Company.

5.5 Insurance obligations

The Contractor must ensure that it:

(a) does not do anything which prejudices any insurance;

(b) if necessary, rectifies anything which might prejudice any insurance;

(c) reinstates an insurance policy if it lapses;

(d) does not cancel, vary or allow an insurance policy to lapse without the prior written consent of the Principal's Representative;

(e) immediately notifies the Principal's Representative of any event which may result in an insurance policy lapsing or being cancelled; and

(f) gives full, true and particular information to the insurer of all matters and things the non-disclosure of which might in any way prejudice or affect any such policy or the payment of all or any benefits under the insurance.

5.6 Failure to insure

If the Contractor fails to:

(a) provide copies of any insurance policy together with evidence satisfactory to the Principal's Representative that the policy is current; or

(b) effect insurance which is with insurers and on terms satisfactory to the Principal's Representative,

as required by clause 5.2, the Principal may, without prejudice to any other rights it may have, effect the insurance and the cost will be a debt due from the Contractor to the Principal.
5.7 Notice of potential claim

The Contractor must:

(a) as soon as possible inform the Principal in writing of any occurrence that may give rise to a claim under an insurance policy required by the Contract, if that claim would:

(i) have a material impact on insurance proceeds available under that policy; or

(ii) affect the Contractor’s ability to comply with its obligations under the Contract, including this clause 5;

(b) keep the Principal informed of subsequent developments concerning the claim; and

(c) ensure that its Subcontractors similarly inform the Contractor and the Principal in respect of occurrences which may give rise to a claim by them.

5.8 Cross liability

Where the Contract requires insurance to be effected in joint names or extend the benefit of cover to the Principal, NSW Trains, Transport for NSW and TAHE as insureds in respect of their vicarious liability for the acts or omissions of the Contractor and its Subcontractors, the party effecting the insurance must ensure that the insurance policy provides that:

(a) insofar as the policy may cover more than one insured, all insuring agreements and endorsements (with the exception of limits of liability) will operate in the same manner as if there were a separate policy of insurance covering each named insured;

(b) the insurer waives all rights, remedies or relief to which it might become entitled by subrogation against any of the parties covered as an insured and that failure by any insured to observe and fulfill the terms of the policy will not prejudice the insurance in regard to any other insured;

(c) any non-disclosure by one insured does not prejudice the right of any other insured to claim on the policy; and

(d) a notice to the insurer by one insured will be deemed to be notice by all insured parties.

5.9 Liabilities unaffected

The effecting of insurance and the approval of any insurance policy, terms of insurance or insurer by the Principal’s Representative does not limit any obligations or liabilities of the Contractor (including the obligation to effect the insurances required by the Contract).

6. Design and documentation

6.1 Principal's Material and ownership of Principal's Material

(a) The Principal must provide to the Contractor the Principal's Material, and number of copies of that Principal's Material, specified in the Key Details.

(b) The Principal's Material will remain the property of the Principal.

(c) If the Principal informs the Contractor of any Principal's Material in which third parties have any Intellectual Property Rights and of any conditions attaching to the use of that material, the Contractor must use that material only in accordance with those conditions.
(d) The Contractor must protect and keep safe and secure all Principal's Material provided to it by the Principal, and may only use, copy or reproduce such Principal's Material for the purpose of performing the Contractor's Activities and performing the Contractor's other obligations under the Contract.

(e) Upon the completion of the Contractor's Activities or termination of the Contract, the Contractor must promptly return all Principal's Material to the Principal.

6.2 Review of Principal's Material and Ambiguities

(a) The Contractor must review the Principal's Material for Discrepancies and promptly notify the Principal's Representative if it discovers any such Discrepancy.

(b) The following order of precedence will apply to any Discrepancy in the documents which make up the Contract, with those higher in the list having precedence over those lower in the list:

(i) either:
   A. where a Standing Offer Deed exists, the Purchase Order; or
   B. otherwise, the Formal Instrument of Agreement;

(ii) the General Conditions of Contract (other than the Key Details, Schedules, Exhibits and Appendix to the General Conditions);

(iii) the Key Details as amended (if applicable) by a Purchase Order;

(iv) the Schedules (other than the Key Details);

(v) the Appendix;

(vi) the Statement of Work;

(vii) the Exhibits (other than the Statement of Work); and

(viii) any other documents (if any) referred to in the Key Details.

(c) If either party discovers any Discrepancy in the documents which make up the Contract or between the Contract and any documents provided to the Contractor by or on behalf of the Principal which the Contractor is required by the Contract to use in performing the Contractor's Activities:

(i) the party must promptly give notice to the other; and

(ii) the Principal's Representative must instruct the Contractor as to the course it must adopt within 5 Business Days of the notice under paragraph (c)(i).

(d) If compliance with the Principal's Representative's instruction under paragraph (c)(ii) causes the Contractor to incur more or less cost than a competent and experienced contractor (having the experience of a contractor that is an expert in carrying out work of a nature similar to the Contractor's Activities) could reasonably have anticipated if it had carefully examined the Contract documents on or before the Award Date, then the difference in cost, as determined by the Principal's Representative, will be added to or deducted from the Contract Price (as applicable).

6.3 Preparation of Deliverables

(a) If the Contractor's Activities include the design of Works, the Contractor must design the parts of the Works which the Contract requires it to design in accordance
with the Statement of Work and the other requirements of the Contract and for this purpose (but without limitation) prepare all relevant Design Documentation.

(b) The Contractor must prepare the Deliverables:

(i) in accordance with the Contract;

(ii) if applicable, having regard to any existing buildings and relevant site conditions and constraints;

(iii) so that they are fit for their intended purpose;

(iv) so that they are free from any Discrepancies; and

(v) so that to the extent that they address like or interrelated subject matter, the Deliverables are coordinated and consistent.

(c) If at any time (including during the construction of the Works) either party or an Other Contractor identifies any Discrepancy in the Deliverables, the Contractor will at its cost revise or amend the Deliverables to remedy or resolve the Discrepancy.

(d) If remedying a Discrepancy in the Deliverables involves effecting a material change or making a determination in relation to the design intent of any Works, the Contractor must consult the Principal before effecting such a remedy or resolution.

(e) The Contractor will indemnify the Principal against any costs, losses or damages incurred by the Principal as a result of a breach by the Contractor of its obligations under this clause 6.3.

6.4 Principal’s Representative may review Deliverables

The Principal’s Representative may:

(a) review any Deliverables, or any resubmitted Deliverables, prepared and submitted by the Contractor; and

(b) within 15 Business Days of the submission by the Contractor of such Deliverables or resubmitted Deliverables, reject the Deliverables if in its reasonable opinion the Deliverables do not comply with the requirements of the Contract.

If any Deliverables are rejected, the Contractor must submit amended Deliverables to the Principal’s Representative.

6.5 No obligation to review

The Principal’s Representative does not assume or owe any duty of care to the Contractor to review, or in reviewing, the Deliverables submitted by the Contractor for Discrepancies or compliance with the Contract.

No review or approval of, comments upon, rejection of, or failure to review or comment upon or reject, any Deliverables prepared by the Contractor or any other Direction by the Principal’s Representative about the Deliverables will:

(a) relieve the Contractor from, or alter or affect, the Contractor’s liabilities or responsibilities whether under the Contract or otherwise according to Law; or

(b) prejudice the Principal’s rights against the Contractor whether under the Contract or otherwise according to Law.
6.6 Copies of Deliverables

For the purposes of clauses 6.3 and 6.4, the Contractor must submit or resubmit to the Principal's Representative, the number of copies specified in the Key Details of any Deliverables.

6.7 Government Geotechnical Database

The Contractor warrants and represents that:

(a) it owns, or is licensed by the owner to use and sub-licence all Pre-existing IPR;
(b) in carrying out the Contractor's Activities, the Contractor will not infringe the Intellectual Property Rights or Moral Rights of any person; and
(c) the Principal's (or any of the Principal's sub-licensees') use or receipt of any Deliverables for any purpose will not infringe the Intellectual Property Rights of the Contractor or any third party.

6.9 Ownership

(a) The Contractor agrees that, immediately upon the creation of any Deliverables, the Principal owns the Deliverables.

(b) The Contractor assigns to the Principal all existing and future interest, title and rights (including Intellectual Property Rights) subsisting in and to any Deliverables (including any Deliverables that have been jointly created, developed or brought into existence by the Principal and Contractor) excluding all Pre-existing IPR.

(c) Where the Deliverables comprise any Software, in addition to owning the Intellectual Property Rights in that Software, the Principal will own, and the Contractor assigns to the Principal all Intellectual Property Rights in:

   (i) all modifications, developments, derivative works, updates or upgrades to that Software; and
   (ii) any configuration files which are based on or which arise in connection with the Principal's internal or other design work, definitions or requirements.

(d) The Contractor must promptly do all things reasonably required, including executing any documents, to further effect the assignment of the Intellectual Property Rights in the Deliverables (including as a present assignment of future copyright) from the Contractor to the Principal in this clause 6.9.

(e) The Contractor must procure that its Personnel ensure that the ownership of the Intellectual Property Rights in the Deliverables which would, but for the application of this clause 6.9, vest in such Personnel, vest in or are transferred or assigned immediately to the Principal on and from the date of creation.

(f) The Principal grants to the Contractor a limited, revocable, non-exclusive, royalty-free licence to use the Deliverables solely to the extent necessary for the Contractor to perform the Contractor's Activities in accordance with the Contract.
6.10 Pre-existing IPR

(a) Each party will retain its Pre-existing IPR and nothing in this Contract assigns or transfers the Pre-existing IPR of one party to another. Neither party may assert or bring any claim for ownership of any or all of the other party's Pre-existing IPR.

(b) The Contractor grants to the Principal a non-exclusive, irrevocable, perpetual, transferable, royalty-free licence to use, reproduce, make adaptations of, modify or incorporate into other work (and sub-license any other third party to do so) all existing and future Intellectual Property Rights comprised in or subsisting in the Contractor's Pre-existing IPR to:

(i) allow the Principal the full benefit and enjoyment of the Deliverables, the Works and Contractor's Activities.

(ii) use the Contractor's Pre-existing IPR:

A. to procure, undertake or perform any works, activities, goods or services in connection with any further upgrade or refurbishment of the Works or any plant, equipment, infrastructure or systems owned, operated or maintained by the Principal or any other Rail Transport Agency;

B. to install, operate, maintain and monitor the Works or any plant, equipment, infrastructure or systems owned, operated or maintained by the Principal or any other Rail Transport Agency; and

C. to integrate the Works with any other plant, equipment, infrastructure or systems owned, operated or maintained by the Principal or any Rail Transport Agency.

(iii) disclose the Contractor's Pre-existing IPR on a confidential basis to third parties for the purposes of a tender process for any procurement in connection with the matters set out in clause 6.10(b)(ii).

(c) The Principal grants to the Contractor a non-exclusive licence to use the Principal's Pre-existing IPR solely for the purpose of carrying out the Contractor's Activities.

(d) Where the Contractor's Pre-existing IPR includes any Software, the rights described in clause 6.10(b) also include, in addition to the rights described in that clause, the rights to (and to sub-license any third party to) use the Intellectual Property Rights subsisting in that Software to:

(i) maintain, support, enhance and adapt that Software (other than where the Intellectual Property Rights in such Software are owned by the Principal, including as a Deliverable or where any modifications, developments, derivative works, updates or upgrades to the Software are owned by the Principal pursuant to clause 6.9) for all purposes associated with the use and enjoyment of the Deliverables and Contractor's Activities; and

(ii) access and modify the Software (including, where accessed under the escrow deed contemplated in clause 6.12, the Source Code of that Software), including for the purposes of any subsequent use or support of, repairs to, maintenance or servicing of, or additions, alterations or further developments to the Deliverables and Contractor's Activities.

(e) For the avoidance of doubt, the licence granted in this clause 6.10 does not entitle the Principal or any sub-licensee or transferee to independently commercialise any of the Contractor's Pre-existing IPR.
6.11 Indemnity and infringement

The Contractor must indemnify the Principal against any Claims against, or costs, losses or damages suffered or incurred by, the Principal, arising out of, or in any way in connection with, any actual or alleged infringement of any Intellectual Property Rights or Moral Rights in or associated with the Deliverables or any breach by the Contractor of clause 6.12 or 6.13.

6.12 Source Code

Where so specified in the Key Details within 5 Business Days of the Award Date or otherwise at any later date notified to the Contractor by the Principal from time to time (if the Key Details state that an escrow deed may be required on request), the Contractor must enter into an escrow deed with the Principal and an escrow agent:

(a) on terms reasonably satisfactory to the Principal (and terms generally consistent with the form of escrow deed set out in Schedule 6 of the Appendix); and

(b) in respect of, and under which the Contractor places into escrow, any and all Source Code relating to any Software.

6.13 Moral Rights

The Contractor must, at its own expense, obtain or procure all consents or waivers from any person who has Moral Rights in the Deliverables to the extent necessary to ensure that the Principal may do or authorise any acts or omissions consistent with the ownership and licences granted by clauses 6.9 and 6.10 without infringing any Moral Rights.

6.14 Confidentiality

(a) Where so specified in the Key Details within 5 Business Days of the Award Date, or otherwise at any later date notified to the Contractor by the Principal from time to time, the Contractor must deliver to the Principal a duly executed Confidentiality Undertaking. The execution of the Confidentiality Undertaking will not limit the Contractor’s obligations under this clause 6.14.

(b) The Contractor must, and must ensure its Personnel, keep confidential and not make, or cause to be made, any public announcement, public comment, press release or other disclosure directly or indirectly in connection with the Principal's Confidential Information, the Contractor's Activities or the Contract to any person other than:

(i) as necessary to perform the Contractor's Activities;

(ii) with respect to any matter already within the public domain; or

(iii) to comply with any applicable Law or any requirement of any regulatory body (including any relevant stock exchange).

(c) Without limiting clause 20.16, the Contractor acknowledges that the Principal may disclose the Contract (and information concerning the terms of the Contract) under or in accordance with any one or more of the following:

(i) the Government Information (Public Access) Act 2009 (NSW) (GIPA Act); and

(ii) to satisfy the disclosure requirements of the New South Wales Auditor General or to satisfy the requirements of Parliamentary accountability,

and the Contractor must provide to the Principal any other information which the Principal reasonably requires to comply with its obligations under this paragraph (c).
(d) If the Principal is required to include a copy of the Contract in the government contracts register pursuant to the GIPA Act:

(i) the Principal will not disclose Schedule 2 (except for the Contract Price) but may disclose the remainder of the Contract;

A. any provisions of the Contract it believes should not be disclosed for the reasons set out in section 32(1) of the GIPA Act; and

B. details of:

1) the reasons why the provisions should not been disclosed;

2) whether the provisions can be disclosed at a later date and, if so, when it is likely that they can be disclosed; and

3) a general description of the types of provisions that the Contractor proposes should not be disclosed; and

(iii) in complying with its disclosure obligations under the GIPA Act, the Principal will consider, but will not be bound by, any proposal made by the Contractor under paragraph (d)(ii).

6.15 Media

(a) disclose, publish or make any public statement, advertisement or announcement in any form of media in connection with the Contract or the Contractor's Activities;

(b) name the Principal or its Personnel as a reference; or

(b) the Contractor must provide reasonable access to any premise where the Contractor's Activities are being undertaken (including any premises provided by the Principal or otherwise used by the Contractor in connection with the Contractor's Activities or where documentation in respect of the Contractor's Activities is kept) to enable the Principal or its nominees to carry out any such audit and must co-operate with and provide all assistance requested by the Principal or its nominees when carrying out any such audit, including providing access to all relevant facilities, documentation, records and Personnel (including those of Subcontractors).

6.18 Modern Slavery

(a) The Contractor acknowledges that it is not aware of any Modern Slavery in its supply chain.

(b) Should the Contractor become aware of any:

(i) Modern Slavery risks in its supply chain or operations, it must notify the Principal of those risks and advise the Principal of the steps it is taking to eliminate or minimise those risks; or

(ii) Modern Slavery practices being carried out within its operations or supply chain, it must:

A. in writing, immediately notify the Principal of those practices and of the remediation action it proposes to take; and

(c) If the Contractor is a ‘reporting entity’ for the purposes of any state or federal Modern Slavery legislation, including the Modern Slavery Act 2018 (Cth), it must comply with such legislation and provide the Principal with a copy of any report it is required to prepare under that legislation at the Principal's request.

(d) For the purposes of this clause 6.18, “Modern Slavery” has the meaning given in section 4 of the Modern Slavery Act 2018 (Cth) and includes any form of slavery, servitude, debt bondage, deceptive recruitment practices, or forced labour to exploit children or other persons.

The Contractor must:
(a) immediately commence performance of the Contractor’s Activities; and

(b) regularly and diligently progress the Contractor’s Activities with due expedition and without delay and, if a date for completion is included in the Key Details for completion of the whole or different parts of the Contractor Activities, complete the applicable Contractor’s Activities by the relevant date included in the Key Details (Date for Completion).

10.2 Programming

The Contractor must:

(a) within 10 Business Days of the Award Date, submit to the Principal’s Representative, a program of the Contractor’s Activities which must contain the details required by the Contract or which the Principal’s Representative otherwise reasonably directs;

(b) update the program periodically at least at intervals of no less than once per month (unless otherwise required by the Principal’s Representative) to take account of:

   (i) changes to the program; and

   (ii) delays which may have occurred; and

(c) give the Principal’s Representative copies of all programs for its approval.

10.3 Contractor not relieved

Any review of, comments upon or approval of, or any failure to review or comment upon, a program by the Principal’s Representative will not:

(a) relieve the Contractor from or alter its liabilities or obligations under the Contract, especially (without limitation) the obligation (if any) to complete the whole, or different parts, of the Contractor Activities, by the relevant Date for Completion;

(b) evidence or constitute the granting of an extension of time or an instruction by the Principal’s Representative to accelerate, disrupt, prolong or vary any, or all, of the Contractor’s Activities; or

(c) affect the time for the carrying out of the Principal’s or Principal’s Representative’s Contract obligations.

10.4 Delays entitling Claim

If the Contractor is or will be delayed by a Qualifying Cause in a manner which will prevent it from performing the Contractor’s Activities by the relevant Date for Completion unless that date is extended, the Contractor may claim an extension of time.

10.5 Extension of time Claim

To claim an extension of time under clause 10.4 the Contractor must:

(a) within 10 Business Days of the commencement of the occurrence causing the delay submit a written claim to the Principal’s Representative for an extension to the relevant Date for Completion which:

   (i) gives detailed particulars of the delay and the occurrence causing the delay; and

   (ii) states the number of days extension of time claimed together with the basis of calculating that period, including evidence that the Contractor
has been or will be delayed in achieving the Date for Completion in the manner set out in clause 10.6(c); and

(b) if the effects of the delay continue beyond the period of 10 Business Days after the commencement of the occurrence causing the delay and the Contractor wishes to claim an extension of time in respect of the further delay, submit a further written claim for an extension to the Principal's Representative:

(iii) every 10 Business Days after the first written claim until 5 Business Days after the end of the effects of the delay; and

(iv) containing the information required by paragraph 10.5(a).

10.6 Conditions precedent to extension

It is a condition precedent to the Contractor's entitlement to an extension of time that:

(a) the Contractor must give the written claims required by clause 10.5 as required by that clause;

(b) the cause of the delay was beyond the reasonable control of the Contractor; and

(c) the Contractor must have actually been delayed in achieving performance by the relevant Date for Completion by a Qualifying Cause in a manner which will prevent it from achieving performance by the relevant Date for Completion unless that date is extended.

10.7 Extension of time

Subject to clause 10.8, if the conditions precedent in clause 10.6 have been satisfied, the relevant Date for Completion will be extended by a reasonable period determined by the Principal's Representative and notified to the Principal and the Contractor within 15 Business Days of the Contractor's written claim under clause 10.5(a), but where further Claims are submitted under clause 10.5(b), then within 15 Business Days of the last of those Claims.

10.8 Reduction in extension of time

The Principal's Representative will reduce any extension of time it would otherwise have notified to the Principal and the Contractor under clause 10.7 to the extent that the Contractor:

(a) contributed to the delay; or

(b) failed to take all steps necessary both to preclude the cause of the delay and to avoid or minimise the consequences of the delay.

10.9 Concurrent Delays

Where more than one event causes concurrent delays and the cause of at least one of those events, but not all of them, is not a Qualifying Cause, then to the extent that the delays are concurrent, the Contractor is not entitled to an extension of time with respect to the relevant Date for Completion.

10.10 Unilateral extensions

Whether or not the Contractor has made, or is entitled to make, a Claim for an extension of time under this clause 10, the Principal's Representative may, in its absolute discretion at any time and from time to time by written notice to the Contractor and the Principal, unilaterally extend a Date for Completion.

The power to extend any Date for Completion under this clause 10.10:
(a) may only be exercised by the Principal's Representative and the Principal's Representative is not required to exercise its discretion under this clause 10.10 for the benefit of the Contractor; and

(b) is not a Direction which can be the subject of a dispute pursuant to clause 15 or in any other way opened up or reviewed by any other person (including any expert, arbitrator or court).

10.11 Delay costs

(a) The Contractor will not be entitled to make any Claim against the Principal for delay or disruption costs arising out of or in any way in connection with delay or disruption in the execution or completion of the Contractor's Activities, however that delay or disruption may have been caused, other than under this clause 10.11.

(b) Subject to clause 10.11(e), where an extension of time has been granted under clause 10.7 for delay caused by a breach of Contract by the Principal, the Principal will pay the Contractor such reasonable extra costs (if any) as are necessarily incurred by the Contractor as a result of that delay as determined by the Principal's Representative. The Contractor must take reasonable steps to mitigate the extra costs incurred by it as a result of the delay.

(c) The extra costs payable to the Contractor under this clause 10.11 will not include any profit, loss of profit or offsite overheads.

(d) Any delay or disruption costs payable under this clause will be a limitation upon the Principal's liability to the Contractor in respect of any Claim by the Contractor for any loss suffered or incurred by the Contractor arising out of or in any way in connection with any delay and disruption which the Contractor suffers or encounters in carrying out the Contractor's Activities as a result of a breach of Contract by the Principal.

(e) The Principal's liability to the Contractor under clause 10.11 is limited to:

   (i) the amount per day; and

   (ii) the total aggregate amount,

   stated in the Key Details.

10.12 Suspension

(a) The Principal's Representative may direct the Contractor to suspend and, after a suspension has been instructed, to re-commence, the carrying out of all or a part of the Contractor's Activities.

(b) Any suspension under clause 10.12(a) will be effective on and from the date specified in the Principal Representative's direction.

(c) If a suspension under this clause 10.12(c) arises as a result of:

   (i) the Contractor's failure to carry out its obligations in accordance with the Contract, the Contractor will not be entitled to make any Claim against the Principal arising out of, or in any way in connection with, the suspension; or

   (ii) a cause other than the Contractor's failure to carry out its obligations in accordance with the Contract:

   A. an instruction to suspend under this clause 10.12 will entitle the Contractor to be paid by the Principal the reasonable extra costs (not including any profit, loss of profit or offsite costs).
overheads) necessarily incurred by the Contractor as a result of the suspension as determined by the Principal's Representative;

B. the Contractor must take all steps possible to mitigate the extra costs incurred by it as a result of the suspension; and

C. the Contractor will not be entitled to make any Claim against the Principal arising out of, or in any way in connection with, the suspension other than under this paragraph (ii).

11. Variation

11.1 Variation price request

The Principal's Representative may, at any time, issue a document titled "Variation Price Request" to the Contractor which will set out details of a proposed Variation which the Principal is considering.

Within 10 Business Days of the receipt of a "Variation Price Request", the Contractor must provide the Principal's Representative with a written notice in which the Contractor sets out:

(a) the adjustment (if any) to the Contract Price to carry out the proposed Variation; and

(b) the effect (if any) which the proposed Variation will have on the then approved program, including the Date for Completion.

11.2 Variation order

Whether or not the Principal's Representative has issued a "Variation Price Request" under clause 11.1, the Principal's Representative may at any time instruct the Contractor to carry out a Variation by issuing a written document to the Contractor titled "Variation Order" in which the Principal's Representative will state one of the following:

(a) the proposed adjustment to the Contract Price as set out in the Contractor's notice under clause 11.1 (if any) is agreed and the Contract Price will be adjusted accordingly; or

(b) any adjustment to the Contract Price will be determined under clauses 11.3(b) or 11.3(c).

No Variation will invalidate the Contract irrespective of the nature, extent or value of the services the subject of the Variation.

11.3 Adjustment for Variation

Subject to clause 19.1, the Contract Price will be adjusted for all Variations which have been the subject of a Direction by the Principal's Representative by:

(a) where clause 11.2(a) applies, the agreed amount; or

(b) where clause 11.2(a) does not apply, an amount determined by the Principal's Representative using any rates or prices which appear in the Schedule of Prices to the extent the Principal's Representative determines they are applicable to, or it is reasonable to use them for valuing the Variation; or

(c) to the extent paragraph (b) does not apply, a reasonable amount:

(i) to be agreed between the parties; or

(ii) failing agreement, determined by the Principal's Representative.
11.4 Rates and prices

Where the hourly rates or other rates or prices which appear in the Key Details are used under clause 11.3, the rates and prices will be deemed to cover:

(a) all labour, materials, overheads and profit related to the work the subject of the Variation and compliance with the Contractor's obligations under the Contract; and

(b) all costs and expenses which will be incurred by the Contractor arising out of or in any way in connection with the Variation.

11.5 Omissions and deletions

(a) If a Variation the subject of a Direction by the Principal's Representative omits or deletes any part of the Contractor's Activities, the Principal may thereafter either perform this work itself or employ or engage Other Contractors to perform the omitted or deleted work.

(b) No Variation will invalidate, or amount to a repudiation of, this Contract.

11.6 Variations requested by Contractor

The Contractor may, for its convenience, request the Principal's Representative to direct a Variation. Any such request must be in writing and must contain the following details:

(a) a description of the Variation;

(b) the additional or reduced costs or time involved in the Variation and any proposal for sharing any savings in costs with the Principal including the amount; and

(c) any benefits which will flow to the Principal from the Variation.

11.7 Principal's Representative's determination

(a) After a request is made by the Contractor in accordance with clause 11.6, the Principal's Representative will, in its absolute discretion, give a written notice to the Contractor:

(i) rejecting the request; or

(ii) approving the request either conditionally or unconditionally.

(b) The Principal's Representative will not be obliged to exercise its discretion for the benefit of the Contractor.

11.8 Variation approved by Principal's Representative

If the Principal's Representative issues a written notice under clause 11.7 approving the Contractor's request under clause 11.6:

(a) unless otherwise agreed, the Contractor will not be entitled to make a Claim against the Principal arising out of, or in any way in connection with, the Variation;

(b) if the Contractor's request offered to share savings in cost with the Principal, the Contract Price will be reduced by the amount offered by the Contractor in its request; and

(c) the Contractor will be responsible for all parts of the Contractor's Activities which are in any way affected by the Variation.
12. Payment

12.1 Payment obligation

Subject to clause 12.7 and to any other right to set-off which the Principal may have, the Principal must pay the Contractor:

(a) the Contract Price;

(b) the expenses and disbursements described in Schedule 2; and

(c) any other amounts which are payable by the Principal to the Contractor under the Contract.

12.2 Payment claims

(a) The Contractor must give the Principal's Representative claims for payment on account of the Contract Price and any other amounts payable by the Principal to the Contractor under the Contract:

(i) subject to clause 12.4, on the 25th day of each month after the Award Date or where that day is not a Business Day, the next Business Day;

(ii) in such form which the Principal's Representative reasonably requires; and

(iii) which are based on the Schedule of Prices to the extent such prices are relevant.

(b) The Contractor cannot include in any payment claim under this clause 12.2, a Claim which is barred by clause 19.5.

(c) The Contractor agrees with the Principal that a payment claim submitted to the Principal's Representative under this clause 12.2 is received by the Principal's Representative as agent for the Principal.

12.3 Payment statements

(a) The Principal's Representative must within 10 Business Days of receiving a payment claim under clause 12.2 give the Contractor, on behalf of the Principal, a payment statement which states:

(i) the value of the Contractor's Activities completed in accordance with the Contract;

(ii) the amount already paid to the Contractor;

(iii) the amount the Principal is entitled to retain, deduct, withhold or set-off under the Contract;

(iv) the amount (if any) which the Principal's Representative believes to be then payable by the Principal to the Contractor on account of the Contract Price and otherwise under the Contract and which the Principal proposes to pay to the Contractor; and

(v) if the amount in paragraph (iv) is less than the amount claimed in the payment claim:

A. the reason why the amount in paragraph (iv) is less than the amount claimed in the payment claim; and
12.4 Conditions precedent to payment

The Contractor is not entitled to give the Principal a payment claim under clause 12.2, and the Principal is not obliged to make any payment under clause 12.5, unless:

(a) the Contractor has provided the Principal's Representative with:

(i) any Unconditional Undertakings and parent company guarantee required under clause 4, or under the Standing Offer Deed (if any);

(ii) evidence of any insurance taken out by the Contractor which is required under clause 5.2;

(iii) a duly executed deed poll as required under clause 7.21;

(iv) a duly executed escrow deed as required under clause 6.12;

(v) a duly executed Confidentiality Undertaking as required by clause 6.14(a); and

(vi) documents showing compliance by the Contractor with clause 12.8; and

(b) without limiting clause 12.6, the Principal is satisfied with the Contractor's Activities performed by the Contractor and the Contractor has, in the Principal's opinion, met the KPIs.

12.5 Payment

(a) Subject to clause 12.7, the Principal must pay the Contractor the amount set out as payable in the payment statement:

(i) if the SOP Act applies to the Contract, within 15 Business Days of receipt by the Principal's Representative of the payment claim under clause 12.2; or

(ii) if the SOP Act does not apply to the Contract, within 30 days of the last to occur of:
A. issue by the Principal's Representative of the payment statement under clause 12.3; and

B. receipt by the Principal's Representative of the documents referred to in clause 12.4.

(b) If a payment statement issued under clause 12.3 shows an amount owing by the Contractor to the Principal, the Contractor must pay the Principal that amount within 5 Business Days of receipt by the Contractor of the payment statement.

12.6 Payment on account

(a) Any payment statement or payment of moneys is not:

(i) evidence of the value of work or that work has been satisfactorily carried out in accordance with the Contract;

(ii) an admission of liability; or

(iii) approval by the Principal or the Principal's Representative of the Contractor's performance or compliance with the Contract.

(b) Payment is only to be taken as payment on account.

12.7 Right of set off

(a) The Principal may deduct from any moneys otherwise due to the Contractor and from any security held by the Principal:

(i) any debt or other moneys due from the Contractor to the Principal (including any due debt from the Contractor to the Principal pursuant to section 26C of the SOP Act); or

(ii) any amount that is less than or equal to the amount claimed to be owed under a payment withholding request served on the Principal pursuant to Division 2A of the SOP Act; or

(iii) any Claim to money which the Principal may have against the Contractor whether for damages (including liquidated damages) or otherwise, whether under or in connection with the Contract, any other contract formed under the Standing Offer Deed (if applicable), or relating to the Contractor's Activities.

(b) The rights given to the Principal under this clause 12.7 are in addition to and do not limit or affect any other rights of the Principal under the Contract or at Law and nothing in the clause affects the right of the Principal to recover from the Contractor the whole of the debt or Claim in question or any balance that remains owing.

(c) Failure by the Principal to deduct from an amount otherwise due to the Contractor any amount which the Principal is entitled to deduct under this clause 12.7, will not prejudice the Principal's right to subsequently exercise its right of deduction under this clause.

(d) Clause 12.7 will survive any termination of the Contract.

12.8 Evidence of payment of workers and Subcontractors

The Contractor is not entitled to give the Principal a payment claim under clause 12.2 and the Principal is not obliged to make any payment under clause 12.5 unless the Contractor has provided the Principal's Representative with:
(a) a declaration in the form of Schedule 8 of the Appendix, together with any supporting evidence which may be reasonably required by the Principal's Representative, duly signed by the Contractor or, where the Contractor is a corporation, by a representative of the Contractor who is in a position to know the facts declared; and

(b) copies of all relevant certificates of currency in respect of Workers Compensation Insurance which the Contractor has in place in connection with the Contractor's Activities.

12.9 Interest

(a) The Principal will pay simple interest at the 90 day bank bill rate on any amount which has been set out as payable by the Principal's Representative in a payment statement under clause 12.3, but which is not paid by the Principal within the time required by the Contract.

(b) This will be the Contractor's sole entitlement to interest including damages for loss of use of, or the cost of borrowing money.

12.10 SOP Act

(a) This clause applies if the SOP Act applies to the Contract.

(b) For the purposes of section 17(3) of the SOP Act, the Contractor irrevocably chooses the Resolution Institute as the "authorised nominating authority" (as that term is defined in the SOP Act) for any adjudication application it may make under the SOP Act in respect of the subject matter of the Contract.

(c) When an adjudication occurs under the SOP Act, and the Principal has paid an adjudicated amount to the Contractor:

(i) the amount will be taken into account by the Principal's Representative in issuing a payment statement under clause 12.3; and

(ii) if it is subsequently determined pursuant to the Contract that the Contractor was not entitled under the Contract to payment of some or all of the adjudicated amount that was paid by the Principal ("overpayment"), the overpayment will be a debt due and payable by the Contractor to the Principal which the Contractor must pay to the Principal upon demand and in respect of which the Contractor is not entitled to claim or exercise any set-off, counterclaim, deduction or similar right of defence.

(d) Without limiting clause 12.7, the Principal may withhold any amount that is less than or equal to the amount claimed to be owed under a payment withholding request served on the Principal pursuant to Division 2A of the SOP Act.

(e) If the Principal withholds from money otherwise due to the Contractor any amount that is less than or equal to the amount claimed to be owed under a payment withholding request served on the Principal pursuant to Division 2A of the SOP Act, then:

(i) the Principal may lead and rely upon Division 2A of the SOP Act as a defence to any Claim for the money by the Contractor from the Principal; and

(ii) the period during which the Principal retains money due to the Contractor pursuant to an obligation under Division 2A of the SOP Act will not be taken into account for the purpose of determining:

A. any period for which money owed by the Principal to the Contractor has been unpaid; and
B. the date by which payment of money owed by the Principal to the Contractor must be made.

(f) The Contractor agrees not to commence proceedings to recover any amount withheld by the Principal pursuant to a payment withholding request served on the Principal in accordance with Division 2A of the SOP Act.

(g) Any amount paid by the Principal pursuant to section 26C of the SOP Act will be a debt due from the Contractor to the Principal.

(h) If the Principal withholds money pursuant to a payment withholding request served on the Principal pursuant to Division 2A of the SOP Act and the Contractor:

(i) pays the amount claimed to be due under the adjudication application to which the payment withholding claim relates; or

(ii) becomes aware that the adjudication application to which the payment withholding claim relates has been withdrawn,

then the Contractor must so notify the Principal within 5 days of the occurrence of the event in paragraph (i) or (ii) above (as applicable) by providing to the Principal a statement in writing in the form of a statutory declaration together with such other evidence as the Principal may require evidencing that the amount has been paid or the adjudication application has been withdrawn (as the case may be).

12.11 Subcontractor's statement

(a) The Contractor must:

(i) submit a signed subcontractor's statement, in the form set out in Schedule 12 of the Appendix, together with any payment claims submitted under clause 12.2; and

(ii) ensure that any such subcontractor's statement is not dated before the date of the relevant payment claim.

(b) The Contractor acknowledges that pursuant to the Workers Compensation Act 1987 (NSW), the Payroll Tax Act 2007 (NSW) and the Industrial Relations Act 1996 (NSW):

(i) the subcontractor's statement is required to be provided to the Principal; and

(ii) the Principal may withhold any payment due to the Contractor under this Contract until the Contractor gives a subcontractor's statement in the form of Schedule 12 of the Appendix. Any penalty for late payment under the Contract does not apply to any payment withheld under this clause 12.11(b)(ii).

12.12 Payment of Subcontractors

The Contractor acknowledges and agrees that, without limiting clause 12.8:

(a) the portion of each payment made by the Principal to the Contractor on account of the Contract Price which is payable by the Contractor to Subcontractors in accordance with their relevant subcontracts is held by the Contractor on trust for those Subcontractors; and

(b) the Contractor must pay all Subcontractors promptly in accordance with the relevant subcontracts.
12.13 GST

(a) The parties acknowledge that unless otherwise expressly stated all amounts of monetary consideration in the Contract are exclusive of GST.

(b) If GST is or becomes payable on a supply made by a party (Supplier) under or in connection with the Contract or the Contractor's Activities, the party providing consideration for the supply (Recipient) must pay an additional amount to the Supplier equal to the GST payable by the Supplier (or representative member of a GST group of which the Supplier is a member) in relation to the supply.

(c) Any amount payable under clause 12.13(b) will be paid to the Supplier at the same time as the other consideration for the supply is paid to the Supplier.

(d) If any party is required under the Contract to reimburse or pay to the other party an amount (other than any payment on account of the Contract Price) calculated by reference to a cost, expense, or an amount paid or incurred by that party, the amount of the reimbursement or payment will be reduced by the amount of any input tax credits to which that party (or representative member of a GST group of which that party is a member) is entitled in respect of any acquisition relating to that cost, expense or other amount.

(e) Notwithstanding any other provision of the Contract, where the Recipient is the Contractor, it will not be obliged to pay any amount on account of GST to the Principal (whether under this clause 12.13 or otherwise) in respect of a taxable supply made by the Principal unless and until the Principal issues to the Contractor, a valid tax invoice that complies with the GST Legislation in respect of that taxable supply.

(f) Where the Supplier is the Contractor, the Contractor must issue a valid tax invoice to the Principal in respect of any taxable supply made by the Contractor to the Principal (including under clause 12.3) as a condition precedent to the Principal being obliged to pay any amount on account of GST to the Contractor in respect of such taxable supply.

(g) The parties agree that, if notified in writing by the Principal, the following will apply to taxable supplies made by the Contractor to the Principal under or in connection with the Contract:

(i) where the GST Legislation permits, the Principal will issue to the Contractor an RCTI for each taxable supply (other than an Excluded Supply as defined in this clause) made by the Contractor to the Principal under the Contract. The parties may agree in writing from time to time that the Principal will not issue an RCTI in respect of a taxable supply made by the Contractor to the Principal under the Contract (Excluded Supply);

(ii) the Principal will issue to the Contractor a recipient created adjustment note for any adjustment event relating to a supply in respect of which it issues an RCTI; and

(iii) the Contractor will not issue a tax invoice in respect of any taxable supply it makes to the Principal (other than in respect of a taxable supply that is an Excluded Supply).

(h) Unless clause 12.13(i) applies, each party acknowledges and warrants that at the time of entering into the Contract it is registered for GST and will notify the other party if it ceases to be registered for GST or ceases to comply with any of the requirements of the Goods and Services Tax: Recipient Created Tax Invoice Determination 2017 for Agricultural Products, Government Related Entities and Large Business Entities (RCTI 2017/6) or other determination or ruling issued by a taxation authority relating to the issuance of RCTIs (RCTI Requirement). The
Principal will not issue a document that would otherwise be an RCTI after the Principal or the Contractor cease to be registered for GST, or after the Principal or the Contractor cease to comply with any RCTI Requirement.

(i) If the Contractor does not, at the time of entering into this Contract have a valid registration for GST purposes or an Australian Business Number (ABN):

(i) the Contractor must complete a "Statement by Supplier" or similar document in a form acceptable to the Australian Taxation Office clarifying the basis on which the Contractor is not required to be registered for GST purposes; and

(ii) the Contractor must inform the Principal if the Contractor is or becomes required to be registered for GST purposes and must notify the Principal of the date from which registration will be effective.

(j) If the Contractor does not provide its ABN in this Contract, the Contractor must complete a "Statement by Supplier" in a form acceptable to the Australian Taxation Office declaring the basis on which the Contractor is not required to have an ABN.

(k) The Contractor indemnifies the Principal for any loss suffered by the Principal because of any breach of any warranty given in clauses 12.13(h) to 12.13(j) or because of the inaccuracy of any information provided in accordance with clauses 12.13(h) to 12.13(j) or because of any failure by the Contractor to provide accurate information to the Principal in a timely fashion in accordance with clauses 12.13(h) to 12.13(j).

(l) Where the Principal issues RCTIs to the Contractor in accordance with clause 12.13(g), the Contractor will indemnify or reimburse the Principal on demand for any loss, cost, expense, penalty, fine, interest, fee or other amount incurred in relation to the Principal issuing RCTIs while:

(i) the Contractor is not registered for GST and/or otherwise fails to satisfy, or comply with, any RCTI Requirement and the Principal has not been notified by the Contractor as such; or

(ii) the details contained in any RCTI or recipient created adjustment note issued by the Principal are incorrect, inaccurate or misleading as a result of information provided by the Contractor to the Principal.

(m) If the GST payable in relation to a supply made by the Supplier under the Contract varies from the additional amount paid by the other party under this clause 12.13 in respect of that supply, then the Supplier will provide a corresponding refund or credit to or will be entitled to receive the amount of that variation from the other party (as appropriate).

(n) In this clause 12.13:

(i) terms defined in GST Legislation have the meaning given to them in GST Legislation, unless the context suggests otherwise;

(ii) GST includes amounts defined as "GST" under the GST Legislation and "GST equivalents" payments under the Intergovernmental Agreement Implementation (GST) Act 2000 (NSW) (or similar payments under corresponding legislation of any other State or Territory); and

(iii) any part or progressive or periodic component of a supply that is treated as a separate supply for GST purposes (including attributing GST to tax periods) will be treated as a separate supply.
13. **Liquidated Damages**

13.1 **Liquidated damages**

(a) If the Principal's Representative determines (acting reasonably) that the whole or a relevant part of the Contractor's Activities has not been completed by the relevant Date for Completion, the Contractor must pay liquidated damages at the rate specified in the Key Details for every day after the Date for Completion until the date on which completion is achieved (as determined by the Principal's Representative acting reasonably), or until the Contract is terminated, whichever occurs first.

(b) Without limiting the Principal's rights under the Contract or at Law, the amount payable under this clause 13.1:

(i) is an agreed genuine pre-estimate of the Principal's damages if completion does not occur by the relevant Date for Completion;

(ii) will be the Principal's sole remedy for damages arising from the Contractor's delay in completing the relevant Contractor's Activities by the Date for Completion; and

(iii) will be a debt due and payable from the Contractor to the Principal.

13.2 **General damages if liquidated damages unenforceable**

If the liquidated damages under clause 13.1 are found to be a penalty, or if clause 13.1 is found to be void or unenforceable for any reason (whether in whole or in part), then the Contractor will be liable to pay unliquidated damages at Law for the breach for which the liquidated damages under clause 13.1 would have been payable had the relevant liquidated damages or clause not been a penalty or not been void or unenforceable.

13.3 **Cap on liquidated damages**

The Contractor's total aggregate liability to the Principal under clauses 13.1 and 13.2 is limited to the amount stated in the Key Details.

13.4 **No liquidated damages**

If the rate provided in the Key Details in relation to clause 13.1 is specified as "nil", "N/A", "not applicable", "$0" or words to similar effect:

(a) clauses 13.1, 13.2 and 13.3 will not apply; and

(b) the Contractor will be liable to pay unliquidated damages at law for the breach for which liquidated damages under clause 13.1 would have been payable if a rate for liquidated damages had been specified.

14. **Termination**

14.1 **Preservation of rights**

Subject to clause 14.6, nothing in this clause 14 or that a party does or fails to do pursuant to this clause 14 will prejudice the right of that party to exercise any right or remedy (including recovering damages) which it may have where the other party breaches (including repudiates) the Contract.

14.2 **Contractor default**

The Principal may give a written notice under clause 14.3 to the Contractor, if the Contractor:
(a) does not commence the Contractor's Activities in accordance with the requirements of the Contract;
(b) suspends the Contractor's Activities in breach of clause 10.12 or otherwise does not proceed with the Contractor's Activities in accordance with clause 10.1;
(c) in the opinion of the Principal has a conflict of interest in performing the Contractor's Activities;
(d) fails to execute the Deed of Novation as required by clause 1.7;
(e) fails to provide security as required by clauses 4.1, 4.3 or 4.4 or a parent company guarantee as required by clause 4.6;
(f) fails to effect, have in place or otherwise maintain or provide evidence of, insurance as required by clause 5;
(g) fails to exercise the standard of skill, care and diligence required by the Contract;
(h) does not comply with any Direction of the Principal's Representative made in accordance with the Contract;
(i) abandons the Contractor's Activities or otherwise plainly demonstrates the intention not to continue performance of its obligations under the Contract;
