

Community update - lead contamination in Tarago NSW

We have updated our website

Visit www.transport.nsw.gov.au/tarago to:

- view a video outlining what we have been doing over the last few weeks
- read answers to the questions from the community meeting in March
- access an information pack about testing and results received so far, including location maps and information about how results are assessed

Private property testing

Those properties who have self-nominated for property testing have been contacted and sampling carried out. If you would like testing to occur on your property please fill out the attached form and email it to the project team. If you are unable to email, please call 4907 7525 and we will take this information over the phone. You will be contacted to arrange a date and time to access the property.

Blood testing

Those residents who have self-nominated for blood testing have been contacted to confirm their preferred medical clinic and how payment will be arranged. If you would like to go ahead with blood testing please fill out the attached form and email it to the project team. If you are unable to email, please call 4907 7525 and we will take this information over the phone. You will be contacted to discuss arrangements with your medical clinic.

Individual information sessions

If you would like to book an appointment with our project team to discuss the information pack on our website and answer your questions, please call the project team on 4907 7525 during office hours or email JHRcorres@transport.nsw.gov.au.

We are happy to discuss any concerns you may have, explain the work we have been carrying out and advise what is happening next, at a time that is convenient to you.

For more information, please contact us:
