Thornleigh Station Upgrade

Have your say

Artist's impression of the proposed Thornleigh Station Upgrade, subject to further consultation and design development

The NSW Government is improving accessibility at Thornleigh Station

Planning is underway to improve accessibility at the station to make it easier for people with additional mobility requirements, parents/carers with prams and customers with luggage. Feedback on the early concept design is invited until **Monday 21 December 2020**.

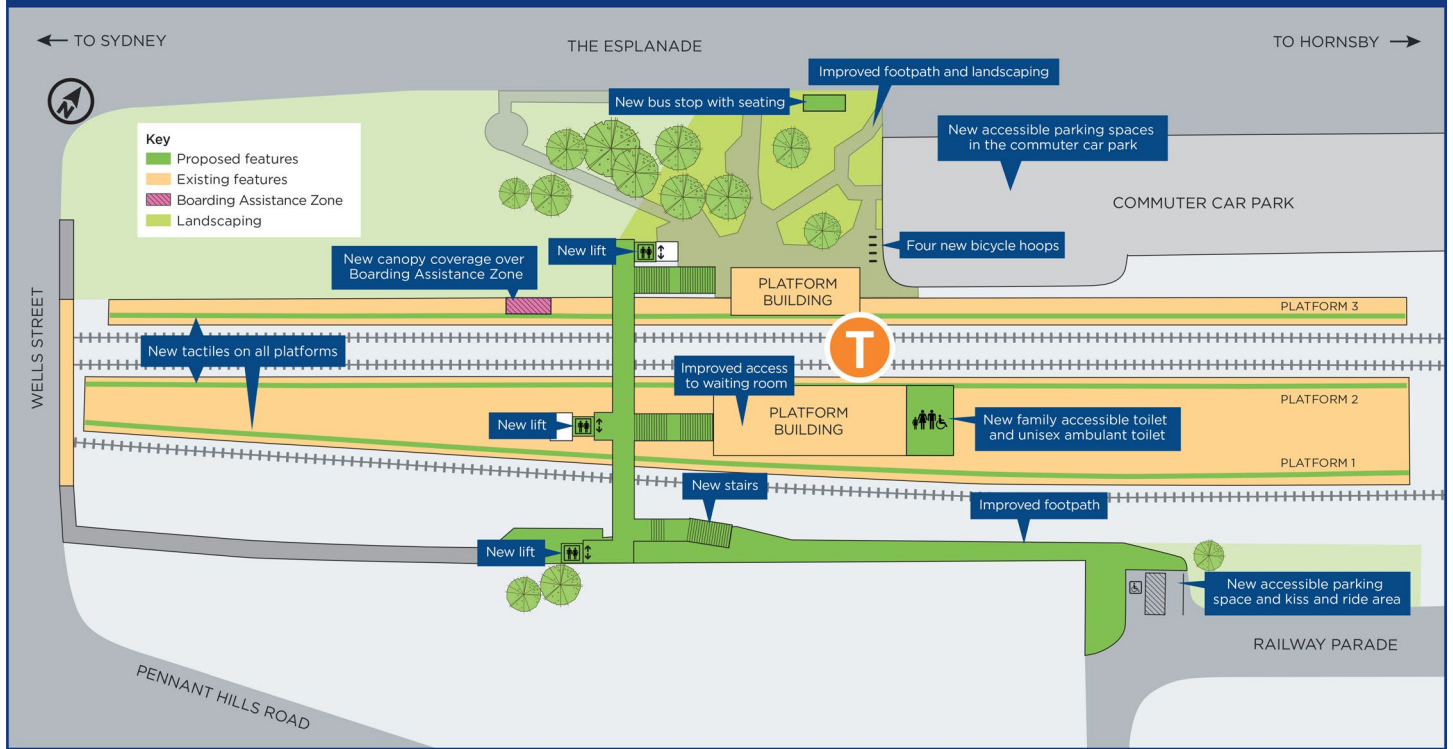

Key features of the proposed upgrade include:

- three new lifts to provide access to the station platforms
- weather protection screens and canopies at lift entries
- improved access to waiting rooms
- a new family accessible toilet and unisex ambulant toilet
- upgrades to the bus stop and seating on The Esplanade
- new accessible pedestrian pathways throughout the station and entrances
- new accessible parking spaces in the commuter car park
- new accessible parking space and kiss and ride space on Railway Parade
- upgraded bicycle hoops
- new canopy coverage over Boarding Assistance Zone
- improvements to CCTV, lighting and wayfinding signage.
