

Power Supply Upgrade Program

Toongabbie

COMMUNITY NOTIFICATION

September 2020

Transport for NSW is upgrading electrical infrastructure as part of the Power Supply Upgrade Program, which is designed to meet expected power requirements for Sydney's future rail network and new fleet of air-conditioned trains.

Upcoming work

Between 7am and 6pm, Thursday 17 and Friday 18 September, equipment and materials will be delivered into the rail corridor via the rail gates on Federal Road, Seven Hills for the weekend work listed below.

Weekend work

We will be working inside the rail corridor near Toongabbie Station to modify overhead wire safety screens located on the Wentworth Avenue overpass bridge. This work will occur between **6am and 6pm on Saturday 19 and Sunday 20 September**. Access into the rail corridor will be via the rail gates on Federal Road, Seven Hills.

To ensure the safety of our customers and staff, this work will be completed during a scheduled Sydney Trains trackwork weekend. Train services will be affected during weekend work.

Please contact Transport Info on **131 500** or visit **transportnsw.info** for information about replacement bus services.

Construction equipment

Equipment to be used includes cherry pickers, crane trucks, work vehicles, and various hand and power tools.

Transport for NSW is committed to minimising noise impacts on the community. We switch off equipment when it is not being used, place equipment as far away from properties as possible and monitor our work activities to make sure noise levels are managed effectively.
