

Transport Access Program

Lisarow Station Upgrade

Project update

November 2020

Artist's impression of the Lisarow Station Upgrade, subject to detailed design.

The Lisarow Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state.

Construction on the Lisarow Station Upgrade is progressing well with site establishment, investigation and enabling activities underway during October.

Upcoming work - November

Work will continue in November and includes:

- utility investigations and site surveying work
- site establishment and office set up
- asphaltting work
- installation of hoarding around lift shaft area locations
- installation of hoarding in the Pacific Highway commuter car park.

Equipment to be used includes surveying equipment, small drilling rigs, vacuum trucks, mini loaders, excavators, cranes, light vehicles and hand tools.

Temporary changes to commuter carpark access

From November, access to the Pacific Highway commuter car park will change while hoarding is installed for the new lift. Traffic control will be in place to assist road users and pedestrians. Please see map below for more information.

Keeping the community informed

Transport for NSW is committed to keeping the community informed throughout the delivery of the project. You can stay informed via regular updates to the project website transport.nsw.gov.au/lisarow

We will also keep the community informed via newsletters, advertisements and signage.

For further information on the project or to receive project updates via email, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
