

# Transport Access Program

## Lisarow Station Upgrade

Project update

December 2020

Construction on the Lisarow Station Upgrade is progressing well with site establishment, investigation and enabling activities underway during November.

### Upcoming work

Work will continue in December and includes:

- utility investigations and site surveying work
- installation of hoarding and piling work for the new lift shafts
- underground services relocations.

Equipment to be used includes surveying equipment, small drilling rigs, vacuum trucks, mini loaders, excavators, cranes, light vehicles and hand tools.
