

Transport Access Program

Narara Station Upgrade

Community notification

September 2020

Transport for NSW is upgrading Narara Station to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

The upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state.

Site investigations

To help inform the design for Narara Station Upgrade, site investigations and survey work will be carried out from **Monday 7 September to Friday 11 September 2020, between 7am and 6pm**. The work will include geotechnical investigations, locating buried services and surveying the area. Equipment to be used includes surveying equipment, light vehicles and hand tools.

Keeping the community informed

The community will be kept informed with regular project updates and information via the project website www.transport.nsw.gov.au/narara. For more information about the project, please visit the website, call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au. For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
