

Transport Access Program

Wahroonga Station Upgrade

Project update

December 2020

Artist's impression of the Wahroonga Station Upgrade, subject to detailed design

Transport for NSW is upgrading Wahroonga Station to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

The upgrade is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state.

Site establishment and early work activities will continue in December 2020. Major construction is expected to commence in January 2021 and will be completed in 2022.

Upcoming work

Work will continue in December and includes:

- service and utility investigations
- relocation of electrical and communication services
- vegetation clearing and trimming under the red leaf bridge on both sides of the rail corridor.

Equipment to be used includes surveying equipment, vacuum trucks, tipper truck, excavators, cranes, light vehicles and hand tools.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday, and 8am to 1pm on Saturdays**. For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keep in touch

We will continue to keep the community informed with regular project updates. Further information is available on the project website www.transport.nsw.gov.au/wahroonga. If you would like to be added to the project distribution list, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.
