

# Power Supply Upgrade Program

## Mount Kuring-Gai

### COMMUNITY NOTIFICATION

**JANUARY AND FEBRUARY 2020**

Transport for NSW is upgrading electrical infrastructure as part of the Power Supply Upgrade Program, which is designed to meet expected power requirements for Sydney's future rail network and new fleet of air-conditioned trains.

### Upcoming activities

Date	Time	Activities
<b>Saturday 11</b> to <b>Monday 13 January</b>	6am – 6am	<ul style="list-style-type: none"><li>- Remove and replace overhead wires and structures</li><li>- Tree trimming and vegetation removal for bushfire protection around the new sectioning hut</li><li>- Testing of the new sectioning hut installed at Mount Kuring-Gai</li></ul>
<b>Monday 20 January</b> to <b>Friday 7 February</b> (not including 27 January)	7am – 6pm (Mon – Fri only)	<ul style="list-style-type: none"><li>- Installation of a new rail gate to access the rail corridor</li><li>- Improvements to stormwater drainage</li><li>- Removal of the old sectioning hut</li></ul>

To ensure the safety of our customers and staff, the weekend work will be completed during a scheduled Sydney Trains trackwork weekend. Train services will be affected during weekend work. Please contact Transport Info on **131 500** or visit **[www.transportnsw.info](http://www.transportnsw.info)** for information about replacement bus services.

### Traffic changes

**Between 6am and 6pm on Saturday 11 and Sunday 12 January**, one southbound lane on the Old Pacific Highway will be closed. Traffic control will be in place to direct motorists and cyclists safely around the work site.

## Construction equipment

Equipment to be used includes cherry pickers, generators, excavators, a chainsaw, lighting towers, work vehicles and various hand and power tools.

Transport for NSW is committed to minimising noise impacts on the community. We switch off equipment when it is not being used, place equipment as far away from properties as possible and monitor our work activities to make sure noise levels are being managed effectively.

## Map of work area

## Keeping the community informed

If you would like to speak with the project team about this work, please contact us through the details provided below. Thank you for your understanding during this work.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
