

# Transport Access Program

## Waratah Station Upgrade

Project Update

February 2020

### February work

Construction on the Waratah Station Upgrade is progressing well, with ongoing upgrades to the station facilities and construction of the lift shaft continuing throughout the month of January.

Construction activities will continue in February and will include:

- work to the station toilets and waiting room installing plumbing and electrical services
- building new access stairs and retaining walls at the station entry off Platt Street
- installing new electrical and plumbing services to the station.

Equipment to be used includes concrete trucks, concrete pumps, excavators, power and hand tools.

Work will be carried out during standard construction hours, **7am to 6pm, Monday to Friday**, and **8am to 1pm, Saturday**. We will notify nearby residents and businesses in advance if we need to work outside these times.

## Toilet and waiting room closure

The existing toilets and waiting room on Platform 2 remain closed for refurbishment and are expected to re-open in April 2020. Two temporary unisex toilets are located on Platform 2 at the rear of the existing building.

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: [www.transport.nsw.gov.au/waratah](http://www.transport.nsw.gov.au/waratah).

For further information on the project, please call the Project Infoline on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.
