

# Transport Access Program

## Waratah Station Upgrade

Project Update

April 2020

### April work

Construction on the Waratah Station Upgrade has progressed well, with upgrades to the station facilities and construction of the lift shafts continuing throughout the month of March. The new stairs to Platform 1 opened in March.

Construction activities will continue in April and will include:

- building a new station access ramp and retaining walls on Platt Street
- internal fit out of the new accessible station toilets
- floor tiling and installation of new seating in the waiting room
- construction of a new footpath on Railway Terrace / Hanbury Street
- installation of new services to the station including power, drainage and communications.

Equipment to be used includes elevated work platforms, concrete trucks, concrete pumps, excavators, power and hand tools.

### Night work – Tuesday 31 March and Wednesday 1 April

Work will be carried out from **6pm to 6am** on **Tuesday 31 March** and **Wednesday 1 April 2020**. The work will involve a large mobile crane to install lift shaft canopies and screens to the lifts.

Equipment to be used includes large mobile cranes, delivery trucks, elevated work platforms, excavators, power and hand tools. The construction equipment will be positioned as far away from residential areas as possible with regular respite periods during noisy work.

This work will be carried out during a scheduled ARTC trackwork period when **coal train services are not operating**.

For more information call 1800 684 490.

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [www.transport.nsw.gov.au/waratah](http://www.transport.nsw.gov.au/waratah).

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465

## Pedestrian and traffic detours

To safely operate the large mobile crane, temporary traffic and pedestrian changes will be in place during the night work.

One lane (westbound) will be temporarily closed on Railway Terrace while the crane operates from 6pm to 6am on Tuesday 31 March and Wednesday 1 April 2020.

Please allow extra travel time. Traffic control and signage will be in place to help pedestrians and motorists with the temporary changes.

To maintain the safety of pedestrians while the crane is active, the **pedestrian footbridge will be closed intermittently during night work for up to 10 minutes at a time**. A temporary pedestrian detour will be in place via Railway Terrace and Platt Street.

Thank you for your patience while we carry out this work.

See the map overleaf for more information.

## Night work – Sunday 19 April

Work will also be carried out from **9pm to 5am on Sunday 19 April 2020**.

The work will involve using a large mobile crane on Railway Terrace/Hanbury Street to deliver materials to Platform 1. This work will be carried out during a scheduled ARTC trackwork period when **coal train services are not operating**.

To safely operate the large mobile crane, temporary traffic and pedestrian changes will be in place during the night work. One lane (westbound) will be temporarily closed on Railway Terrace/Hanbury Street while the crane operates intermittently.

Please allow extra travel time. Traffic control and signage will be in place to help pedestrians and motorists with the temporary changes.

Thank you for your patience while we carry out this work.

Night work 31 March/1 April and 19 April 2020 – temporary access changes

Map legend:

-  Railway Terrace lift shaft construction
-  Three lifts under construction
-  Waratah Station pedestrian footbridge. **Intermittently closed during night work 6pm to 6am Tuesday 31 March and Wednesday 1 April** – detour via Railway Terrace and Platt Street
-  Mobile crane work zone and temporary lane closure on Railway Terrace
-  Temporary station toilets located on Platform 2
-  Pedestrian detour via Railway Terrace and Platt Street during intermittent footbridge closures.

## Toilet and waiting room closure

The toilets and waiting room on Platform 2 remain closed for refurbishment, but are expected to re-open in May 2020. Two temporary unisex toilets are located on Platform 2 at the rear of the existing building.

## Standard construction hours

Work will be carried out during standard construction hours, **7am to 6pm, Monday to Friday**, and **8am to 1pm, Saturday**. We will notify nearby residents and businesses in advance if we need to work outside these times.

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: [transport.nsw.gov.au/waratah](http://transport.nsw.gov.au/waratah).

For further information on the project, please call the Project Infoline on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
