

Transport Access Program

Wollstonecraft Station Upgrade

Project update

December 2020 and January 2021

Artist's impression of Wollstonecraft Station Upgrade, subject to detailed design.

Transport for NSW is upgrading Wollstonecraft Station to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work

Work will continue in December and January and includes:

- Construction of the lift bases and walls on Platforms 1 and 2, including installation of formwork, reinforcement and concrete
- Construction of bridge footings on Platform 2
- Commencement of building work on both platforms including electrical upgrade work
- Toilet refurbishment (one unisex toilet will remain open)
- Spoil and material removal and deliveries

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/Wollstonecraft

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

- Temporary removal of Cabbage Leaf Palms to enable construction of an electrical cabinet. The trees will be stored off site will be replanted in the same area when construction is complete
- Piling work on eastern walkway entry to Platform 1
- Excavation of trenches for electrical routes along walkways and platform
- Drainage installation on both platforms.

Equipment to be used includes excavators, trucks, grinders, saws, cranes, rattle guns, piling rigs, plumbing tools, scaffolding, propping, demolition tools, pallet jacks, trucks and hand tools. Traffic control will be in place intermittently to ensure safe pedestrian and vehicle movements around the work site. Some on-street parking may be used intermittently where required to carry out the work.

The work will be noisy at times. Wherever possible measures to reduce noise will be implemented including scheduling noisy work during daytime hours, turning off vehicles and equipment when not in use, monitoring noise, using non-tonal reversing beepers and acoustic barriers.

We apologise for the inconvenience and thank you for your patience during this important work.

Night work 2-4 December

The removal and delivery of equipment from Platform 2 to Shirley Road will take place for **1 night** only between **Wednesday 2 December** and **Friday 4 December 2020**.

This work should take about **1 hour** and will be completed between **1.30am** and **4am**.

Equipment will include an elevated work platform and excavator and truck deliveries

Temporary changes to the station toilets

Work will begin to refurbish the existing toilets to provide one family accessible toilet and two ambulant toilets.

To enable this upgrade, one toilet will be closed at a time while work is carried out. During this time one toilet will be converted to a unisex toilet for all customers to use. Signage is in place to direct customers to the unisex toilet.

We apologise for the inconvenience and thank you for your patience while we carry out this important work.

Temporary pedestrian access, parking and road changes

From **7am Monday 23 November** to **5pm Friday 18 December 2020**, and from **7am Monday 4 January** to **5pm Friday 22 January 2021**, the entrance to Platform 1 from Shirley Road will be temporarily closed to enable construction. This is to allow piling work to be carried out and an electrical transformer to be installed. Customers will detour via the Platform 2 entry through the underpass or via Shirley Lane to access Platform 1.

During these closure periods, the northern footpath on Shirley Road bridge and the eastbound lane on Shirley Road bridge between Telopea Street and Milner Crescent will be closed intermittently. Traffic control and signage will be in place to assist pedestrians and motorists while the changes are in place.

Five parking spaces will be temporarily closed on Shirley Road between Wollstonecraft Station and Milner Crescent. Vehicle and pedestrian access to 50 Shirley Road will be maintained at all times.

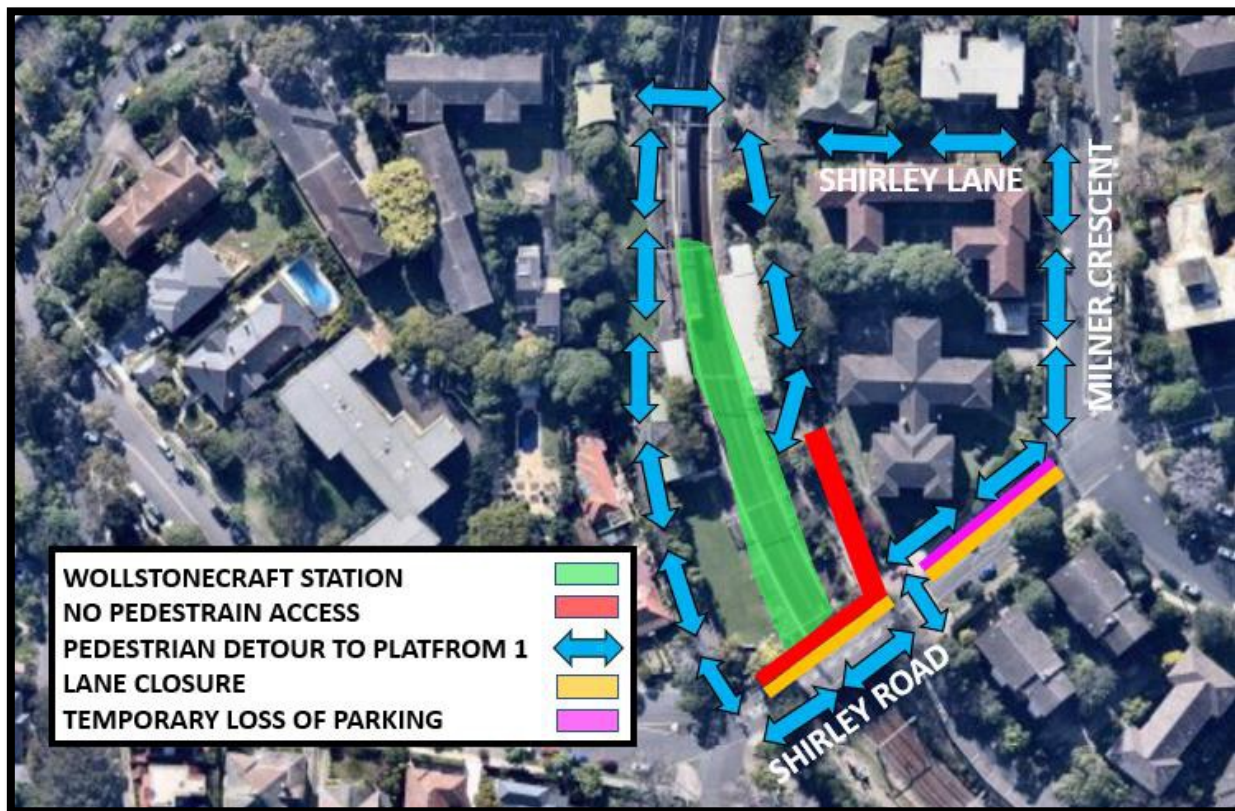

Please see map overleaf for more information.

Temporary holiday project closure

From **5pm Friday 18 December 2020** until **7am Monday 4 January 2021** our project and offices will be closed to provide our staff and community with a break from construction work.

We wish you and your loved ones a safe and happy holiday season and look forward to working together to deliver the Wollstonecraft Station Upgrade throughout 2021.

Location map

Wollstonecraft Station access changes– Nov 23- Dec 18, 2020 and Jan 4 - Jan 22, 2021

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, rail customers and the community, some work will be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and updates on the project website www.transport.nsw.gov.au/wollstonecraft.

If you would like to be added to the project distribution list, or for more information on the Wollstonecraft Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For urgent enquiries or complaints regarding construction activities, please call our 24 -hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
