

Transport Access Program

Wollstonecraft Station Upgrade

Project update

January 2021

Artist's impression of Wollstonecraft Station Upgrade, subject to detailed

Transport for NSW is upgrading Wollstonecraft Station to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work

Work will continue in January and include:

- Construction of the lift walls on Platform 1, including installation of formwork and concrete
- Electrical upgrades on Platform 1
- Toilet refurbishment (one unisex toilet will remain open)
- Delivering and removing materials and spoil
- Demolition of the station waiting room on Platform 2.

From **Monday 11 to Tuesday 29 January 2021** the waiting room on Platform 2 will be closed for demolition, regrading and tiling work.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/Wollstonecraft

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

Equipment to be used includes excavators, trucks, grinders, saws, cranes, rattle guns, piling rigs, plumbing tools, scaffolding, propping, demolition tools, pallet jacks, trucks and hand tools. Traffic control will be in place intermittently to ensure safe pedestrian and vehicle movements around the work site. Some on-street parking east of Shirley Road Bridge and Milner Crescent may be closed intermittently while work is carried out.

The work will be noisy at times. Wherever possible measures to reduce noise will be implemented including scheduling noisy work during daytime hours, turning off vehicles and equipment when not in use, monitoring noise, using non-tonal reversing beepers and acoustic barriers.

We apologise for the inconvenience and thank you for your patience during this important work.

Temporary pedestrian access, parking and road changes

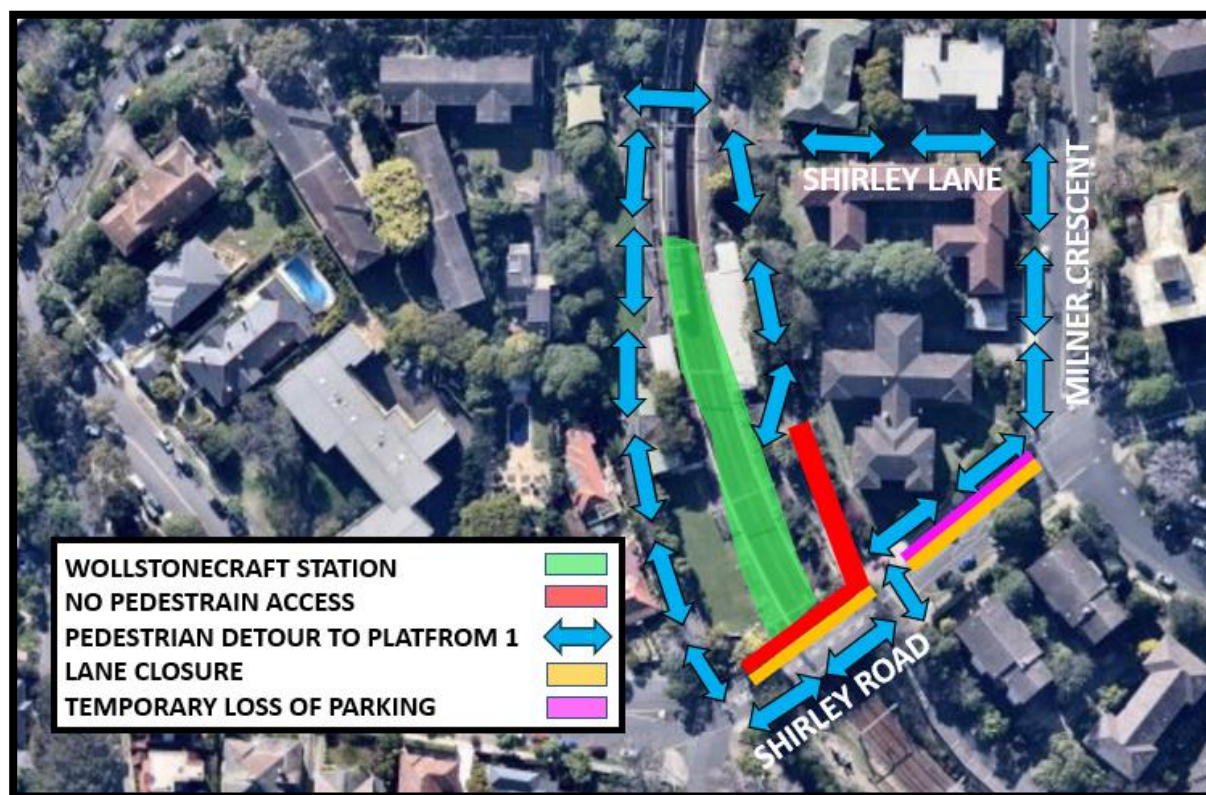

The entrance to Platform 1 from Shirley Road will be temporarily closed from **7am Monday 4 January to 5pm Tuesday 12 February 2021** to allow the safe construction of the lift walls in Platform 1 .

A pedestrian detour will be in place during this time to provide access to Platform 1 via the Platform 2 entry (through the underpass) and via Shirley Lane. The northern footpath on Shirley Road Bridge and the eastbound lane on Shirley Road Bridge (between Telopea Street and Milner Crescent) will also be closed intermittently during these periods.

Traffic control and signage will be in place to assist pedestrians and motorists while the changes are in place.

Five parking spaces will be temporarily closed on Shirley Road between Wollstonecraft Station and Milner Crescent. Vehicle and pedestrian access to 50 Shirley Road will be maintained at all times. Please see map for more information.

Location map

Wollstonecraft Station access changes – Jan 4 – Feb 12, 2021

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of customers and the community, some work will be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and updates on the project website www.transport.nsw.gov.au/wollstonecraft.

If you would like to be added to the project distribution list, or for more information on the Wollstonecraft Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
