

Transport Access Program

Wye Station Upgrade

Project Update

June 2020

June work

Construction on the Wye Station Upgrade is progressing well, with upgrades to the station facilities, footpaths and stairs continuing throughout May.

Construction activities will continue in June and include:

- refurbishment of the Station Manager's building
- continued installation of station fencing
- removal of the temporary access ramp on Wye Road
- installation of asphalt at the base of Gorokan Road stairs
- removal of the temporary toilet facilities
- continued installation of new station services including power supply, communications and security system.

Equipment to be used includes concrete trucks, concrete pumps, excavators, power and hand tools.

The refurbished toilets on Platform 2 will re-open on Tuesday 9 June 2020.

Weekend work – Saturday 6 June to Monday 8 June 2020

Work will be carried out between **6am and 10pm from Saturday 6 June until Monday 8 June 2020.**

The work will involve a small mobile crane to remove the temporary toilet facilities and an excavator to remove the temporary access ramp on Wyee Road. Other equipment to be used includes delivery trucks, elevated work platforms, power and hand tools.

See the map overleaf for more information.

The construction equipment will be positioned as far away from residential areas as possible with regular respite periods during noisy work.

This work will be carried out during a scheduled Sydney Trains trackwork weekend when **train services don't operate** and the **station is closed**.

For information about rail replacement buses during scheduled trackwork, please visit **transportnsw.info** or phone **131 500**.

Pedestrian and traffic detours

To safely operate the mobile crane the **pedestrian footbridge will be closed** from **6am Saturday 6 June to 10pm Monday 8 June 2020**.

A temporary pedestrian detour will be in place via Wyee Road underpass.

Please allow extra travel time. Traffic control and signage will be in place to help pedestrians and motorists with the temporary changes.

See the map overleaf for more information.

Thank you for your patience while we carry out this work.

For more information **1800 684 490**.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/wyee.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Temporary access changes during June 2020

Map legend:

-  Three lifts under construction
-  Wye Station footbridge – closed during scheduled trackwork weekend 6-8 June
-  Temporary station toilets on Platform 2 removed during weekend work 6-8 June. Refurbished toilets re-open June 2020.
-  Temporary station access from Wye Road removed during weekend work 6-8 June
-  Commuter car park construction work zone

Pedestrian detour during weekend work (6-8 June)

Map legend:

-  Pedestrian detour using Gorokan Road/Wyee Road underpass while footbridge is closed 6-8 June.

Standard construction hours

Work will be carried out during standard construction hours, **7am to 6pm, Monday to Friday**, and **8am to 1pm, Saturday**. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website transport.nsw.gov.au/wyee.

For further information on the project, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
