

Transport Access Program

Wye Station Upgrade

Project Update

May 2020

May work

Construction on the Wye Station Upgrade is progressing well, with upgrades to the station facilities and construction of the lift shaft continuing throughout April.

Construction activities in May include:

- fit out of the station toilets
- construction of a new footpath on Wye Road
- upgrades to the existing stairs and footbridge
- installation of new fencing to both sides of the station
- continued installation of new station services including communications and security system
- construction of the three internal lift cabs.

Equipment to be used includes excavators, concrete trucks, concrete pumps, excavators, power and hand tools.

Temporary changes to footbridge and station stairs

To upgrade the existing stairs to the footbridge, new handrails and stair nosing's will be installed during May.

Work will be undertaken during the day outside peak travel times with the assistance of traffic controllers to guide pedestrians using the stairs and footbridge.

Temporary changes to Wye Road 'Kiss and Ride' zone

The 'Kiss and Ride' zone on Wye Road will temporarily close until June 2020 while footpath upgrades are carried out at the station entry.

Please use the Darlingup Road commuter car park for pick-ups and drop-offs during this time. Traffic control will be in place to assist pedestrians and motorists with these changes. See map overleaf.

Standard construction hours

Work will be carried out during standard construction hours, **7am to 6pm, Monday to Friday**, and **8am to 1pm, Saturday**.

For more information call **1800 684 490**.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/wyee

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

We will notify nearby residents and businesses in advance if we need to work outside these times.

Temporary access changes during May 2020

Map legend:

-  Three lifts under construction
-  Wye Station footbridge – temporary work zone as new handrails are installed during May 2020
-  Temporary station toilets on Platform 2
-  Temporary station access stairs from Wye Road
-  Commuter car park construction work zone.
-  Wye Road footpath construction zone (work in sections).

Toilet closure

The existing toilets on Platform 2 remain closed for refurbishment but are expected to re-open in June 2020. Two temporary unisex toilets are located on Platform 2 at the rear of the existing building.

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: transport.nsw.gov.au/wyee.

For further information on the project, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
