

Sydney Trains

Lidcombe to Sefton track maintenance

From Saturday 29 February to Monday 2 March

What we're doing

Sydney Trains is undertaking maintenance between Lidcombe and Sefton from Saturday 29 February to Monday 2 March.

To improve service reliability, we're working on:

- Routine civil, signal and electrical maintenance
- Station refurbishment works at Lidcombe
- Turnout refurbishment at Lidcombe
- Station litter removal
- Vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 29 February until 2am Monday 2 March.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
