Eastern Suburbs Railway improvement works

From Friday 10 April to Tuesday 14 April

What we’re doing

Sydney Trains is undertaking maintenance work on the Eastern Suburbs Railway line from Friday 10 April to Tuesday 14 April.

We’re undertaking repairs and maintenance of the Rushcutters Bay cutting viaducts.

We understand that this work will have an impact on you and your neighbours. We appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night and over the weekend. Residents can expect to hear noise associated with localised concrete demolition and railway construction. We apologise for the inconvenience this may cause.
- Work will take place round the clock from 4am Friday 10 April to 6am Tuesday 14 April.
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles. Finishing works may take place following this period, including the removal of equipment.

Traffic and Road closures

- Work vehicles will access the rail corridor via Glenmore Rd, Edgecliff and Dowling St, Woolloomooloo.
- A section of Dowling St (between the railway and Reid Avenue), Woolloomooloo will be closed from 4am Friday 10 April to 6am Tuesday 14 April as it will be required to store plant and equipment.
- A section of Glenmore Road (between the railway and Walker St) Edgecliff will be used for some rail work vehicles which will reduce the availability of parking from 4am Friday 10 April to 6am Tuesday 14 April.
- Residents will be able to access their properties but will be unable to park in the closed section.
- Traffic controllers will be onsite to assist motorists throughout the durations of the works.
- We apologise for any inconvenience and thank you for your cooperation during these essential works.
