Seven Hills to Emu Plains track maintenance

From Saturday 16 May to Monday 18 May

What we’re doing
Sydney Trains is undertaking maintenance between Seven Hills and Emu Plains from Saturday 16 May to Monday 18 May.
Sydney Metro will be undertaking geotechnical works at St Marys Station as part of ongoing site investigations.
Sydney Trains is working on:
- Cutting works at St Marys
- Overhead wiring modernisation stage works between Penrith and Emu Plains
- Plain track and turnout resurfacing
- Power supply upgrade works at Mount Druitt Section Hut and St Marys
- Rail and turnout grinding
- Resleepering works at Penrith Yard
- RMS Castlereagh Road Underbridge, Penrith signal relocation works
- Routine civil, signal and electrical maintenance
- Track reconditioning at St Marys
- Litter and graffiti removal
- Vegetation maintenance.

How this affects you

Noise
- These works may create additional noise at night and over the weekend.
- Work will take place around the clock from 2am Saturday 16 May until 2am Monday 18 May.
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking
- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
