## Berowra to Epping track maintenance

Monday 5 October

### What we're doing

Sydney Trains is undertaking maintenance between Berowra and Epping via Hornsby on Monday 5 October.

To improve service reliability, we're working on:

- Hornsby Maintenance Centre drainage works
- civil track maintenance
- overhead wiring maintenance at Berowra
- routine signal and electrical maintenance
- track defect removal works at various locations
- station litter removal
- vegetation maintenance.

### How this affects you

#### Noise

- These works may create additional noise during the day.
- **Work will take place between 6am and 6pm on Monday 5 October.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
