

Sydney Trains

Tempe to Hurstville track maintenance

From Friday 20 August to Monday 23 August

What we're doing

Sydney Trains is undertaking maintenance between Tempe and Hurstville from Friday 20 August to Monday 23 August.

To improve service reliability, we're working on:

- Civil track maintenance
- Routine signal and electrical maintenance
- Station maintenance works, to improve safety on stations
- Track defect works at various locations
- Track inspection and preventative maintenance
- Litter and graffiti removal
- Vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 10.50pm Friday 20 August until 2am Monday 23 August.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
