

Sydney Trains

Strathfield to Berowra track maintenance

From Saturday 30 October to Monday 1 November

What we're doing

Sydney Trains is undertaking maintenance between Strathfield and Berowra from Saturday 30 October to Monday 1 November.

Sydney Metro will undertake early work within the rail corridor at North Strathfield to prepare for construction of Sydney Metro West. Work will include fencing, installing monitoring equipment and surveys.

Sydney Trains is working on:

- Civil track maintenance
- Overhead wiring weights replacement at Epping
- Plain track and turnout resurfacing
- Rail and turnout grinding
- Rerailing at Thornleigh, Normanhurst and Hornsby
- Routine signal and electrical maintenance
- Station upgrade works at Beecroft and Thornleigh
- Track defect removal works at various locations
- Turnout renewal works at North Strathfield
- Litter and graffiti removal
- Vegetation maintenance.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 2am Saturday 30 October until 2am Monday 1 November.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
