

Summer and night works at Gipps Street, Claremont Meadows from 23 December 2021

Works are continuing to upgrade the Gipps Street intersection at Sunflower Drive North and the existing east leg driveway to access the future Sydney Metro services facility at Claremont Meadows. The Sydney Metro – Western Sydney Airport project is the new metro railway line which will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport. The city-shaping project will deliver new stations at St Marys, Orchard Hills, Luddenham, Airport Business Park, Airport Terminal and the Western Sydney Aerotropolis. The 23 kilometre new railway is planned to open at the same time as passenger services start at the airport.

The Gipps Street project started in mid 2021 and is due for completion in early 2022 and will deliver:

- a new and upgraded pavement and driveway to access the services facility
- new signage and line marking, and upgrades to the existing traffic control signal
- relocated utilities and stormwater drainage improvements

What happens next?

Works will continue, except for the holiday closure period as outlined below, and include:

- removing and reinstating asphalt to install upgraded traffic signals
- completing construction of the median
- installing vehicle loop detectors, new signage, and line marking

Night works are planned to take place at this site for up to 12 nights between **Monday 10 January** and **Thursday 3 February**.

Equipment used for this work includes but is not limited to; a 3 tonne tipper truck, road surface milling machine, rollers, bob-cat, pressure-washer (water-blasting), and a bogie truck.

What to expect

There will be temporary traffic changes during our work hours to ensure the work zone is safe. This may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions.

- Our work will generate some noise and our team will minimise impacts where possible, including completing noisier activities by 12 midnight.
- There will be an increase in light and construction vehicles near the work sites.
- There will be minor traffic disruptions and traffic control measures will be in place.

For traffic updates, please call 132 701, or visit livetraffic.com or download the Live Traffic NSW App.

Our work schedule

Our standard work hours will be **Monday to Sunday from 7am to 6pm**. On weekends, high noise activities will only take place on Saturdays between 8am and 1pm.

Our night work hours will be **Sunday to Thursday nights from 8pm to 5am**. Night works will not take place on Friday and Saturday nights.

These works will be undertaken in accordance with Public Health Orders and a COVIDSafe plan is in place. Please note the weather and site conditions may impact our planned dates of work and require some scheduling flexibility or additional days' work. We will continue to keep the community informed of construction plans and provide a project update in February 2022.

Construction during Christmas, New Year and Australia Day

Christmas and New Year: construction sites will close over the Christmas and New Year holiday period from 6pm Thursday 23 December 2021 until 7am Monday 10 January 2022.

Australia Day: construction sites will be closed for the Australia Day public holiday from 6pm Tuesday 25 January until 7am Thursday 27 January 2022.

While construction sites are closed periodic checks will take place to ensure the site is secure and maintained.
