Mailing address	30 Frances Street, Randwick NSW 2031

Please be advised that all submissions will be published on the Transport for NSW website unless a clear statement is made by the person making the submission that they wish to remain confidential. Contact details of individuals making the submission will **not** be published. If you wish all or only certain sections of your submission to be treated as confidential, please indicate below.

Do you wish the whole submission to be treated as confidential? Yes No

If you wish only certain sections to be treated as confidential please indicate section(s) with an **X** in the first column below.

Relevant section / clause	Brief description of the issue	Proposed amendment	Contact officer
Part 7 Division 6 Section 117 MPS Scheme	Ongoing operational problems with the process involved in revoking MPS permits. Current legislation requires action to be taken against the 'person'	Include the term revoked as a specific reason for confiscating a permit. Provide for the service of a notice to the registered operator to surrender a revoked permit.	
Part 8 Division 1 other Permit schemes	A problem exists with unlawful use of visitor permits with no specific penalty notice available.	Introduce a penalty notice offence for the misuse of a parking permit and make it an Owner Onus offence against the registered owner of the vehicle for allowing for it to happen.	
Section 68(1) RT Act 2013. (Schedule 4 and 5 of the proposed RTGR 2021) Standing unregistered vehicles on Roads	Councils are required to take action to affect the removal of unattended and abandoned vehicles under the Impounding Act. A number of these vehicles are unregistered. Many are referred to Councils by the Police. Class 10 Officer can issue a PIN under the Regulation for unregistered trailers but not for any other type of motor vehicle.	Expand the ability for Councils to issue PINs for unregistered vehicles left standing on roads. Ensure the delegation excludes vehicles that are driven, and that the penalty is only a level 3 offence in line with our current delegation regarding trailers.	
Part 11 Division 3 161(1) Failure without reasonable excuse to comply with order, notice, direction et al	Councils are often required to service notices to effect compliance with unlawfully used MPS cards as well as Loading breaches and the use of roads subject to RTGR 2013 Section	Provide for an on-the-spot penalty for the failure to comply with a notice issued under this legislation rather than the current requirement to issue a Court Attendance Notice. Make it an Owner Onus offence against the registered owner of the vehicle
