

# Transport Access Program

## Canley Vale Station Upgrade

Community notification

September 2021

Transport for NSW is improving accessibility at Canley Vale Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Construction work on the station upgrade has restarted. Our work is being carried out in line with the current Public Health Orders and a COVID Safe plan is in place. The safety and wellbeing of our workplace and the wider community is our highest priority.

## Upcoming work

Work activities to occur in September include:

- installing and testing lifts 1 and 2
- installing new fencing
- removing site sheds
- installing tactiles on Platforms 1 and 2
- general civil and electrical work
- finishing work on lifts 1 and 2.

To do this work, we will use trucks, elevated work platforms, drill rigs, scaffolding, a crane and hand tools.

Traffic control and signage will be in place to assist pedestrians and motorists around the work area when required.

The work activities will be noisy at times. Every effort will be made to minimise the impact by turning off vehicles and equipment when not in use, monitoring noise levels, using non-tonal reversing beepers and acoustic barriers.

For more information call **1800 684 490**,

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/canleyvale](https://transport.nsw.gov.au/canleyvale)

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

## Pedestrian access changes

The entrance to the station from Railway Parade into the station is now open for pedestrians to use. The pedestrian footbridge will remain open for customers.

## Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

## Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website [www.transport.nsw.gov.au/canleyvale](http://www.transport.nsw.gov.au/canleyvale).

If you would like to be added to the project distribution list, or for more information on the Canley Vale Station Upgrade, please contact us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
