

## Routine track maintenance in Tarago from 20 April

The NSW Government will carry out track maintenance and resurfacing at the Tarago rail yard to ensure the safety and efficiency of the rail network.

### What are we doing?

We will be adjusting railway sleeper heights and adding ballast along two sections of the rail track.

We will be working for **three days** from **Tuesday 20 April** to **Thursday 22 April** between **6am and 4.30pm**, weather permitting.

### How will this work affect you?

There may be some dust impacts associated with this work. We will make every effort to minimise dust by wetting the site before we start work and by closely monitoring the job.

The Environment Manager will be on site at all times during the work to monitor the dust impacts.

There may be some minor noise associated with this work.

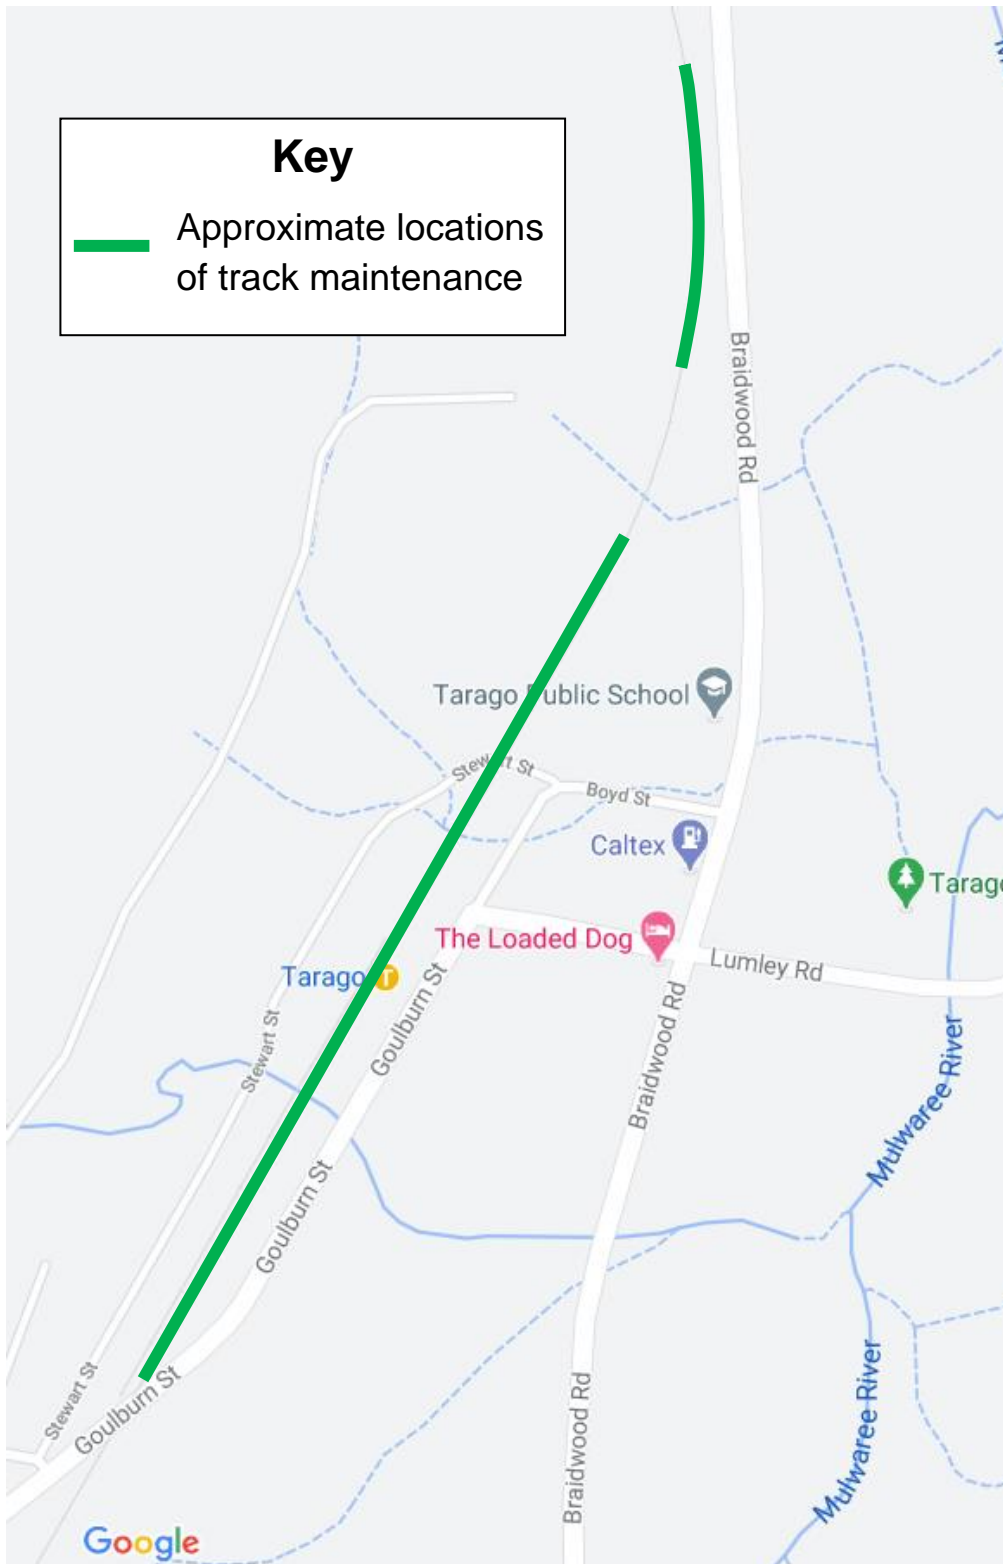

There will be no impacts to traffic.

### Contact

If you have any questions, please contact the project team on 1300 661 390 or email [JHRcorres@transport.nsw.gov.au](mailto:JHRcorres@transport.nsw.gov.au)
