

Digital Systems Program

Sutherland to Cronulla

COMMUNITY NOTIFICATION

November 2021

Transport for NSW (TfNSW) is rolling out new technology to upgrade Sydney's rail network and introducing upgraded signalling as part of the Digital Systems Program.

Part of 'More Trains, More Services', the Digital Systems Program will replace current signalling and train control technology with modern, internationally proven, intelligent systems. It will help improve reliability and increase capacity on Sydney's railways once implemented widely across the network.

Upcoming work

Work involves installing new track infrastructure along the Cronulla branch of the Illawarra Line between Sutherland and Cronulla. Work will continue in November during standard construction hours – **Monday to Friday 7am to 6pm and Saturday 8am to 1pm.**

Weekend work – Saturday 13 November and Sunday 14 November 2021

From **6am Saturday 13 November to 11pm Sunday 14 November**, works are planned during a scheduled Sydney Trains weekend possession. These construction works are permitted under current Covid19-related NSW Public Health Orders.

Work activities will be undertaken along the rail corridor between Sutherland and Cronulla, including excavation, trenching, cable installation and stockpile works. **The work in your area will not be continuous. Every effort will be made to keep noisy works to a minimum and to reduce impacts to the community wherever possible.**

The works on this weekend will be undertaken along the rail corridor between Sutherland to Cronulla.

What equipment will be used?

Equipment will include crane trucks, construction vehicles, battery powered lights, generators, a cable winch and hand tools.

What you may notice

Transport for NSW is committed to minimising noise impacts on the community. We switch off equipment when it is not being used, place equipment as far away from properties as possible and monitor our work activities to make sure noise levels are being managed effectively.

Train services will be affected during weekend work. Please contact Transport Info on **131 500** or visit **transportnsw.info** for information about replacement bus services.
