

Digital Systems Program

Sutherland to Cronulla

COMMUNITY NOTIFICATION

December 2021

Transport for NSW (TfNSW) is rolling out new technology to upgrade Sydney's rail network and introducing modern signalling as part of the Digital Systems Program.

Part of 'More Trains, More Services', the Digital Systems Program will replace current signalling and train control technology with modern, internationally proven, intelligent systems. It will help improve reliability and increase capacity on Sydney's railways once implemented widely across the network.

Work activity

Excavation, trenching and cable installation work will continue up to and including 17 December 2021 during standard construction hours **Monday to Friday 7am to 6pm** and **Saturday 8am to 1pm**. Work activities will include cable pulling and installation, excavation and stockpile works.

These works are in line with current Public Health Orders and a COVID-19 Safe Plan is in place for all activity in the work area, including masks and QR codes.

Upcoming work

Work will be undertaken along the rail corridor between Sutherland and Cronulla at various times and dates during standard construction hours **Monday to Friday 7am to 6pm** and **Saturday 8am to 1pm**.

The work in your area will not be continuous. Every effort will be made to keep noisy works to a minimum and to reduce impacts to the community wherever possible.

What equipment will be used?

Equipment will include excavators, vacuum trucks, powered hand tools, generator at the Sutherland site compound and crane truck construction vehicles.

What you may notice

Transport for NSW is committed to minimising noise impacts on the community. We switch off equipment when it is not being used, place equipment as far away from properties as possible and monitor our work activities to make sure noise levels are being managed effectively.

Keeping the community informed

If you would like to speak with the project team about this work, please contact us.

Call **1800 684 490**, email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects. For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**. Thank you for your patience and understanding during these important upgrades to the rail network.

Interpreter services

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
