

# Transport Access Program

## East Hills Station Upgrade

Project update

July 2021

### Upcoming work

Construction has started on the East Hills Station Upgrade, with installation of hoarding, demolition and lift pit work carried out in June. Activities will continue in July and include:

- surveying the platform, station buildings and surrounding areas
- investigation work throughout the station precinct
- continued work to the temporary site compound in the grassed area behind Platform 3
- relocation and installation of electrical and water services at the station
- continued installation of temporary fencing and hoarding near the future lift locations
- preparation work for the new lifts, including excavation, installing anchor bolts, waterproofing and concreting.

Equipment to be used includes surveying equipment, mobile crane, small drilling rig, excavators, trucks, concrete pumps, power and hand tools.

## Construction hours

**Standard construction hours are** from 7am to 6pm every day, including public holidays. We understand extending construction hours to include weekends and public holidays may cause disruption, with all efforts made to minimise impacts where possible and ensure strict environmental conditions relating to noise, vibration and dust management are adhered to. We will notify nearby residents and businesses in advance if we need to work outside these times.
