

Transport Access Program

East Hills Station Upgrade

Project update

May 2021

Artist's impression of East Hills Station Upgrade, subject to detailed design.

Upcoming work and site establishment

To help inform the design for East Hills Station Upgrade, site and underground service investigations, and site establishment activities will continue during May 2021 including:

- investigating the ground conditions (mainly in the rail corridor)
- surveying the platform, station buildings and surrounding areas
- planning and investigation work
- installing of temporary fencing/hoarding near the lift locations
- building fit out works on MacLaurin Avenue for a temporary site work office.

Equipment to be used includes surveying equipment, excavator, hand auger, boring rig, vacuum truck, power and hand tools.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keep in touch

We will continue to keep the community informed with regular project updates. Further information is available on the project website **transport.nsw.gov.au/easthills**.

If you would like to be added to the project distribution list, or for more information on the East Hills Station Upgrade, please contact us on **1800 684 490** or email **projects@transport.nsw.gov.au**

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
