

Transport Access Program

Erskineville Station Upgrade

COMMUNITY NOTIFICATION

AUGUST 2021

The Erskineville Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with a disability, limited mobility, parents /carers with prams and customers with luggage.

Mid-week work throughout August

Work to deliver an accessible station will continue throughout the month. Work will be undertaken on the station platforms, Bridge Street adjacent to Platform 4, within the rail corridor adjacent to Platform 1 and around the station entrance. Work will take place in standard construction hours Monday to Friday 7am to 6pm and Saturday 8am to 1pm*. Work in August includes:

- Services investigations, earthworks and tree trimming and removal around the station
- Piling, concreting, excavating and associated works on all platforms for new footbridge and lifts
- Changing boundary fence line adjacent to Platform 4
- Removing station furniture at the southern end of all platforms in preparation for the new footbridge
- Establishment of site offices at Erskineville Station, adjacent to Platform 1
- Installing hoarding and temporary fencing on the station platforms and station boundary
- Cleaning and removing existing services and conduit, remediating ground conditions if needed
- Excavating, re-grading and stabilising embankment adjacent to Platform 1
- Subject to approval - changes to the traffic island, footpath kerb and fencing on Swanson Street road bridge to enable site access.

Upcoming weekend work

Dates	Work hours	Location	Activities
Friday 13 August to Monday 16 August	11.59am, Friday to 4am, Monday.	At Erskineville Station and inside the rail corridor.	<ul style="list-style-type: none">• Excavating, piling and concreting activities on platforms• Timber hoarding installation• Investigating and relocating services.

Note: trains will not be running on Platforms 1 and 2. For up to date information about train services during these times please visit transportnsw.info or call **131 500**.

What to expect

The Erskineville Station Upgrade team is committed to follow the advice of the NSW Government abiding to all COVID-19 safe practices.

- Equipment used throughout the month includes; vacuum truck, piling rig, road saw, crane, crane truck, excavators, hi-rail trucks, concrete truck and pumps, dump truck, hand held breaker, hi-rail crane, chainsaw, chipper, and various hand and power tools.
- There will be deliveries of plant and materials to the Bridge and Swanson Street site entrances. Deliveries will be made under traffic and pedestrian control measures.
- Rail access gates used include Swanson, Bridge, Concord and Burren Street and Railway Parade.
- *Change of standard construction hours: The NSW Government has introduced extended operating hours for construction sites to support the industry during the evolving COVID-19 situation, with sites now able to operate on weekends and public holidays. The standard construction hours at this station can be extended to 7am-6pm Mon-Sun including public holidays.
- While work is undertaken along Bridge Street for the new station entrance and footbridge, there will be **temporary closures of the footpath and the bicycle lane will operate under stop/go traffic management**. Traffic and pedestrian control will be in place during these times to help people move safely around the area.

Keep in touch

We will continue to keep you informed with regular project notifications and online updates published to the project website transport.nsw.gov.au/projects/erskineville. If you would like more information on the Erskineville Station Upgrade or would like to be added to the project distribution list, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

Map of work area during August work
