

Transport Access Program

Faulconbridge Station Upgrade

Project completion

April 2021

Faulconbridge Station Upgrade is now complete

Thank you for your patience and cooperation throughout the construction of the Faulconbridge Station Upgrade. The upgraded facilities are now available to customers including:

- ✓ two new lifts to access the station platform and bus stop
- ✓ new unisex ambulant toilet and a family accessible toilet
- ✓ upgrades to the pedestrian ramp connecting the commuter car park to the footbridge
- ✓ upgrades to the existing accessible car space
- ✓ upgrades to the kiss and ride bay in the existing commuter car park
- ✓ upgrades to station pathways, stairs and platform
- ✓ additional CCTV, lighting and signage.

Key facts

446 workers used
on the project

35,990
hours worked

12 tonnes of
structural steel used

195 cubic metres of
concrete poured

For more information call **1800 684 490**,

Finishing work

Last month, the site office and the storage and laydown area within the Commuter Car Park was removed and revegetated. Minor finishing and defect work will continue throughout April until June.

Image: New lift connecting the pedestrian bridge to the platform.

Temporary closure of single parking spaces – commuter car park

During April there will be **intermittent single car space closures** within the commuter car park as new light posts are installed. A single car space will be closed for up to 24 hours at a time using temporary bollards. Signage will be in place to assist customers with this change.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**. For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Thank you to the community

We would like to thank the community for their continued support and cooperation. With the help of the community's feedback, support and patience, Faulconbridge Station Upgrade was completed on time and now provides the community with an accessible, secure and integrated station.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
