

Transport Access Program

Griffith Station Upgrade

Have your say

The NSW Government is improving accessibility at Griffith Station

Planning is under way to improve accessibility at Griffith Station. The improvements will make it easier for customers to use the station especially people with additional mobility requirements, parents/carers with prams and customers with luggage. Feedback on the concept design is invited until midnight **Sunday 24 October 2021**.

Key features of the proposed upgrade include:

- building a new accessible path from the station entrance to the car park
- building a new coach bay and bus shelter
- providing a new accessible car space
- upgrading of the existing side ramp between the car park and platform
- modifying the waiting room and ticket counter
- improving amenities including ambulant toilets
- creating a new boarding zone and new platform tactiles
- improving way finding and lighting.
