

Transport Access Program

Gunnedah Station Upgrade

Project Update

May 2021

Planning is underway to improve accessibility at Gunnedah Station.

Work is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state.

Upcoming site investigation work – Saturday 8 May

Site investigation work will be carried out on **Saturday 8 May 2021**, between 8am and 4pm, to help inform the design for the station upgrade.

Work includes:

- geotechnical investigation into the ground conditions
- underground utility services search
- other site planning and investigation work.

Electromagnetic scanning equipment, a drilling rig, vacuum truck and power and hand tools will be used to carry out the work

Keeping the community informed

We will keep the community updated as the project progresses. Information is also available on the project web page transport.nsw.gov.au/gunnedah

For further information on the project, please call the project information line on **1800 684 490** or email projects@transport.nsw.gov.au

For urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
