

Transport Access Program

Lapstone Station Upgrade

Project completion

April 2021

Lapstone Station Upgrade is now complete

Thank you for your patience and cooperation throughout the construction of the Lapstone Station Upgrade. The upgraded facilities are now available to customers including:

- ✓ a new lift connecting the footbridge to Platform 2
- ✓ upgrades to the accessible car spaces
- ✓ upgrades to the ramp from the commuter car park to the pedestrian footbridge
- ✓ a new station entrance to Platform 1
- ✓ accessibility upgrades to the platform waiting room
- ✓ upgrades to station pathways, stairs and platforms
- ✓ upgrades to CCTV, lighting and signage.

Key facts

410 workers used
on the project

22,800
hours worked

15 tonnes of
structural steel used

150 cubic metres of
concrete poured

Finishing work

Last month, the site office and the storage and laydown area on Dawes Place were removed and revegetated. Minor finishing and defect works will continue throughout April.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
