

# Commuter Car Park Program

## Leppington

Project update

April 2021

*Construction progress on the new multi-storey car park at Leppington, March 2021*

Transport for NSW is delivering a multi-storey car park with approximately 1,000 additional parking spaces at Leppington Station to provide you with more convenient access to public transport and reduce congestion on our roads.

The new multi-storey car park is expected to be open to customers in mid-2021.

### Progress update

In March, concrete pours for levels two and three were completed and work began on level four. Fit-out for the new car park also commenced. Additional scaffolding was installed to higher levels to enable pouring the final level of the structure.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

## Upcoming construction work

During April, the following work will occur on the new multi-storey car park:

- Completion of level four and vertical walls
- Structural steel installation will commence on the level four structure
- Further fit-out and services work will commence on site

Concrete vehicles will reduce in number as larger concrete pours are completed. Pedestrian and car access to the existing commuter car parks and station remain unaffected as construction vehicles continue to use the dedicated construction access driveway.

## Work hours

To support the industry and continue the delivery of critical infrastructure, the NSW Government introduced new rules in 2020 allowing construction sites to operate extended hours on weekends. These rules have recently been extended until 31 March 2022.

From Saturday 10 April, construction hours on a Saturday and Sunday will be extended from **7am – 6pm** until project completion.

There will be a break from construction over the Easter long weekend from **Friday 2 April to Monday 5 April**.

## Keeping you up to date

We will continue to keep the community informed with regular project updates. More information is available on our website [www.transport.nsw.gov.au/leppington](http://www.transport.nsw.gov.au/leppington). If you would like to sign up to our project distribution list, please contact us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) and we will email you regular updates.

For all urgent enquiries or complaints regarding construction activities, please call our **24-hour Construction Response Line** on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
