

# Commuter Car Park Program

Leppington

Project update

December 2020/January 2021

*Construction progress on the new multi-storey car park at Leppington, November 2020*

Transport for NSW is delivering a multi-storey car park with approximately 1,000 additional parking spaces at Leppington Station to provide you with more convenient access to public transport and reduce congestion on our roads.

The new multi-storey car park will be completed and opened to customers in mid-2021.

## Progress update

In November, a concrete tower boom was installed on site to assist in the concrete pouring for the new car park structure.

Excavation work continued, ground slab pours commenced and scaffolding and formwork were installed in preparation for pouring the first level of the suspended slabs.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

## Upcoming construction work

During December and January, the following work will occur on the new multi-storey car park:

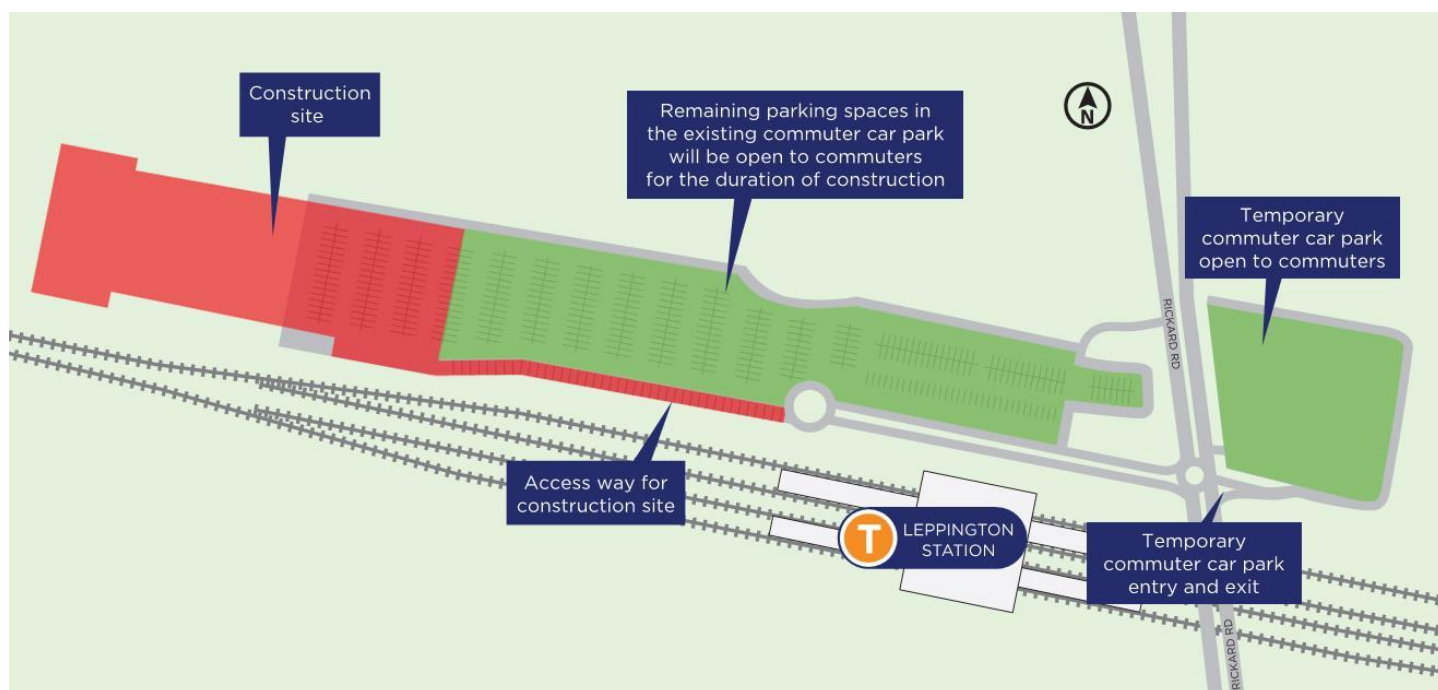

- The first level of the car park will be completed, including the suspended slabs, columns and walls
- The structure for the second level will be completed and the level three structure will begin to take shape
- You may notice more construction vehicles on site due to larger concrete pours. Pedestrian and car access to the existing commuter car parks and station will not be affected as construction vehicles will use the dedicated construction access driveway.

## Work hours

Work will take place during the standard construction hours of **7am - 6pm Monday to Friday and 8am - 1pm on Saturdays.**

There will be a break from construction over the holiday period between **Thursday 24 December** and **Sunday 3 January 2021.**

## Parking options during construction

## Keeping you up to date

We will continue to keep the community informed with regular project updates. More information is available on our website [www.transport.nsw.gov.au/leppington](http://www.transport.nsw.gov.au/leppington). If you would like to sign up to our project distribution list, please contact us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) and we will email you regular updates.

For all urgent enquiries or complaints regarding construction activities, please call our **24-hour Construction Response Line** on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
