

Commuter Car Park Program

Leppington

Project update

February 2021

Construction progress on the new multi-storey car park at Leppington, January 2021

Transport for NSW is delivering a multi-storey car park with approximately 1,000 additional parking spaces at Leppington Station to provide you with more convenient access to public transport and reduce congestion on our roads.

The new multi-storey car park will be completed and opened to customers in mid-2021.

Progress update

In January, detailed excavation work, ground slab and level one pours were completed. Additional scaffolding and formwork were installed in preparation for pouring the second level of the suspended slabs.

Upcoming construction work

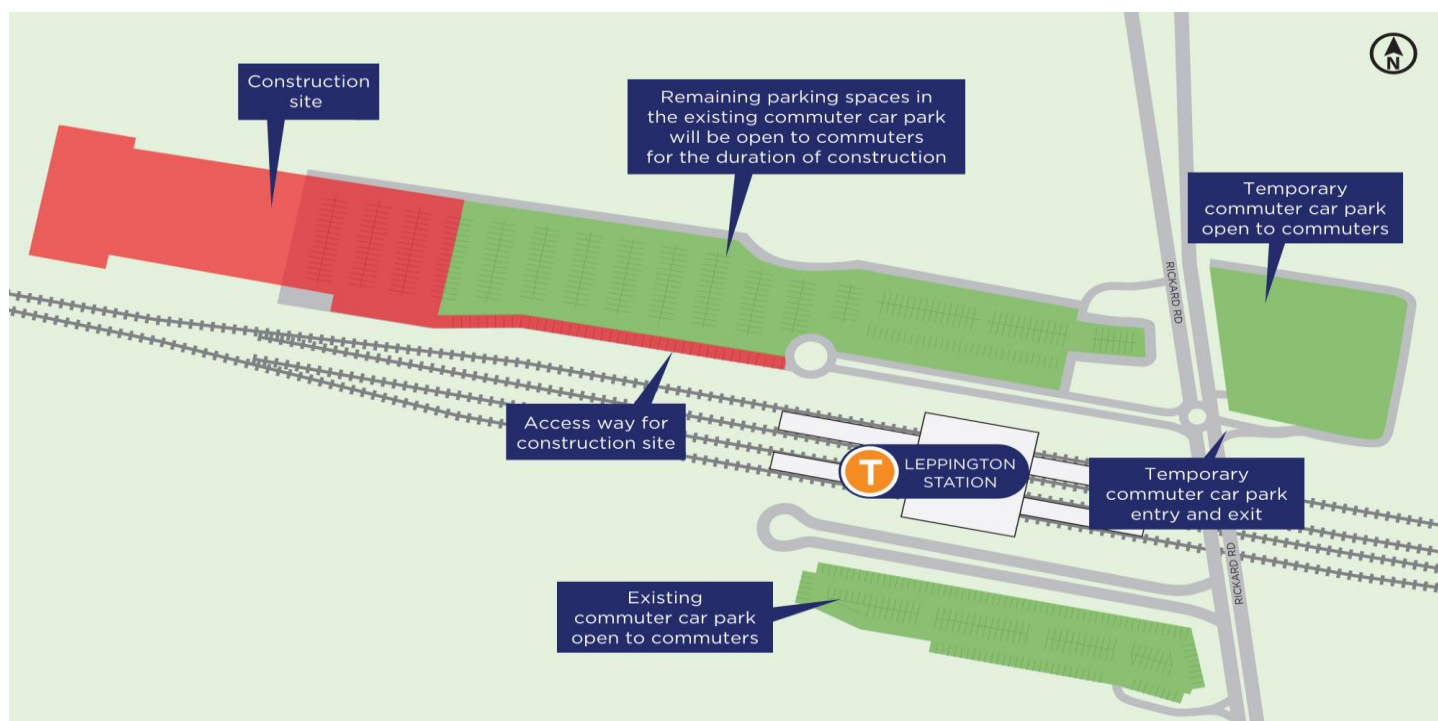

During February, the following work will occur on the new multi-storey car park:

- The second level of the car park will be completed, including the suspended slabs, columns and walls
- Construction will commence on the level three structure.
- You may notice more construction vehicles on site due to larger concrete pours. Pedestrian and car access to the existing commuter car parks and station will not be affected as construction vehicles will use the dedicated construction access driveway.

Work hours

Work will take place during the standard construction hours of **7am - 6pm Monday to Friday and 8am - 1pm on Saturdays**.
