

Commuter Car Park Program

Leppington

Project update

March 2021

Construction progress on the new multi-storey car park at Leppington, February 2021

Transport for NSW is delivering a multi-storey car park with approximately 1,000 additional parking spaces at Leppington Station to provide you with more convenient access to public transport and reduce congestion on our roads.

The new multi-storey car park will be completed and opened to customers in mid-2021.

Progress update

In February, level one pours were completed and level two and three pours commenced. Additional scaffolding and formwork were installed in preparation for pouring the third level of the suspended slabs.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Upcoming construction work

During March, the following work will occur on the new multi-storey car park:

- The second and third level of the car park will be completed, including the suspended slabs, columns and walls
- Construction will commence on the level four structure
- You may notice more construction vehicles on site due to larger concrete pours. Pedestrian and car access to the existing commuter car parks and station will not be affected as construction vehicles will use the dedicated construction access driveway.

Update to standard construction hours

To support the industry and continue the delivery of critical infrastructure, the NSW Government introduced new rules in 2020 allowing construction sites to operate extended hours on weekends.

Construction hours on a Saturday and Sunday will be extended from **7am – 6pm** on the following dates:

- Saturday 6 and Sunday 7 March
- Saturday 13 and Sunday 14 March
- Saturday 20 and Sunday 21 March

After Friday 26 March standard construction hours will be resumed and are as follows:

- Monday to Friday: 7am to 6pm
- Saturday: 8am to 1pm
- No works on Sundays and Public Holidays

Keeping you up to date

We will continue to keep the community informed with regular project updates. More information is available on our website www.transport.nsw.gov.au/leppington. If you would like to sign up to our project distribution list, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au and we will email you regular updates.

For all urgent enquiries or complaints regarding construction activities, please call our **24-hour Construction Response Line** on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
