

Transport Access Program

Normanhurst Station Upgrade

COMMUNITY NOTIFICATION

AUGUST 2021

The Normanhurst Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.

Pause on construction

In line with recent restrictions introduced by the NSW Government on 17 July 2021 to help keep our communities safe construction activities on Normanhurst Station Upgrade were paused until Friday 30 July. We have made arrangements for our work activities to safely recommence from 2 August 2021. Should these restriction change based on advice by the NSW Government, which may impact the timing of our work, the community will be notified.

We encourage you to subscribe to our project email distribution for the latest information, by calling us on 1800 684 490 or emailing projects@transport.nsw.gov.au

The safety and wellbeing of our workplace and the wider community is our highest priority. You may see some of our workers on site as they prepare the sites for work to recommence. Please be assured our people and worksites follow NSW Health's COVID-19 requirements and will continue to do so.

August work

Throughout August, (weekdays only), we will be working within and around Normanhurst Station to undertake the following activities. These activities will be carried out between standard construction hours of 7am and 6pm:

- Site preparation work including installing hoarding around our work zones
- Site establishment within the rail corridor between Woodbine Avenue and Greenvale Grove.
- Investigating underground services and surveying work
- Inspections of signals and cables
- Installing tree protection measures
- Concrete cutting of pile locations
- Excavating and piling work in preparation for the new lifts
- Construction of new service routes
- Removal of redundant light poles
- Construction of a new pathway from Denman Parade to station platform
- Relocating opal readers, station vending machines and help points
- Vegetation trimming.

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

What to expect

Plant and machinery will access the site via the rail access gate on Malsbury Road between Woodbine Avenue and Greenvale Grove, Normanhurst. Traffic control will be in place to direct motorists around the vehicles entering and exiting the rail access gate.

A temporary footpath closure will be in place between Denman Parade and the station platform while construction of the new footpath takes place. Access to the station will be maintained. Signage will be installed to provide directions to pedestrians and cyclists around the work area.

Construction Equipment

Equipment that will be used includes piling rigs, excavators, concrete trucks, concrete pumps, a vacuum truck, concrete saw, hi-rail crane trucks, trucks, bobcat, lighting towers, work vehicles, and various hand and powered hand tools.

Where possible, measures will be implemented to reduce noise associated with this work, including turning off vehicles and equipment when not in use and using non-tonal reversing beepers.

We apologise for any inconvenience and thank you for your patience during this important work.

Keep in touch

We will continue to keep you informed with regular project notifications and online updates published to the project website transport.nsw.gov.au/normanhurst

If you would like to be added to the project distribution list or for more information on the Normanhurst Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
