

Transport Access Program

Ourimbah Station Upgrade

Project Update

July 2021

Construction on the Ourimbah Station Upgrade is progressing well with the station forecourt now open to the public.

Upcoming work

Work in July includes:

- installing new wayfinding signage
- upgrade of new CCTV cameras
- fit out work within the lift shafts
- installing new lights and light poles around the station precinct
- installing new handrails along the footbridge stairs
- completion of landscaping around the station precinct
- installation of new bollards along the Pacific Highway.

Equipment to be used includes excavators, jack hammers, concrete trucks and pumps, delivery trucks, power and hand held tools.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keeping the community informed

The community will be kept informed about the project, including upcoming work via notifications that will be distributed to nearby residents. Information on the project is also available on the project web page transport.nsw.gov.au/ourimbah

For further information on the project, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.

For more information call 1800 684 490.
