

Transport Access Program

Pymble Station Upgrade

COMMUNITY NOTIFICATION

AUGUST AND SEPTEMBER 2021

Artist's impression of Pymble Station Upgrade. Subject to detailed design.

The Pymble Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with a disability, limited mobility, parents/carers with prams and customers with luggage.

Pause on construction

In line with recent restrictions introduced by the NSW Government on 17 July 2021 to help keep our communities safe, construction activities on Pymble Station Upgrade are paused until Friday 30 July. We are making arrangements for our work activities to safely recommence from 31 July 2021, as detailed in this notification. Should these restrictions change based on advice by the NSW Government, which may impact the timing of our work, the community will be notified. We encourage you to subscribe to our project email distribution for the latest information, by calling us on 1800 684 490 or emailing projects@transport.nsw.gov.au

The safety and wellbeing of our workforce and the wider community is our highest priority. You may see some of our workers on site as they prepare the sites for work to recommence. Please be assured our people and worksites follow NSW Health's COVID-19 requirements and will continue to do so.

For more information call **1800 684 490**, email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/pymble
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Upcoming work

Throughout August and September, from Monday 2 August to Friday 3 September (weekdays only), we will be working within and around Pymble Station to undertake the following activities:

- Site preparation work including installation of hoarding around our work zones
- Underground service investigation work
- Identifying and relocating services within the rail corridor
- Disconnection of services to allow for the kiosk to be removed safely
- Demolition of kiosk on platform and relocation of platform furniture
- Installation of piling pad prior to the commencement of excavation and piling work
- Excavation and piling work in preparation for the new lifts
- Removal of spoil within the rail corridor
- Vegetation removal

Equipment to be used throughout the month includes excavators, hi-rail crane, mobile crane, piling rig, hi-rail dump truck, concrete truck with pump, vacuum truck, core hole drill, work vehicles, elevated working platforms, flatbed truck, dump truck, concrete saw, shovel and various hand and power tools. Work may be noisy at times.

The following measures will be implemented to reduce impacts wherever practicable, including turning off vehicles when not in use, positioning construction equipment will be positioned as far away from residential areas as possible, using non-tonal reversing beepers, and monitoring noise levels. We apologise for any inconvenience and thank you for your patience during this important work.

Night work – 3 August to 6 August 2021

For the safety of pedestrians, customers and motorists, work will take place between **7pm to 4am Tuesday 3 August to Friday 6 August 2021**. The work includes the removal of the kiosk structure on the station footbridge to enable future lift installation. Temporary fencing and hoarding will be installed around the work area.

Construction plant and equipment will access the rail corridor via the access gates on Grandview Street between Station Road and Wellesley Road, and Wellesley Road and Fern Street, Pymble and the rail access gates within the Pacific Highway car park.

Temporary removal of parking – 5 and 6 August 2021

From **7pm Thursday 5 August to 4am Friday 6 August**, approximately 8 car parking spaces within the Pacific Highway car park will be temporarily unavailable. This is to allow for a crane to be

mobilised to remove the kiosk from the station platform. Access to and from the Pacific Highway car park will be maintained.

Map of work area

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday, and 8am to 1pm Saturdays.**

Keep in touch

We will continue to keep the community informed with regular project updates published on the project website transport.nsw.gov.au/pymble. If you would like to be added to the project distribution list or for more information on the Pymble Station Upgrade, please contact projects@transport.nsw.gov.au or call the Project Infoline on **1800 684 490**.

For all urgent enquiries or complaints regarding our construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
