## Queanbeyan Station Upgrade

### Have your say

#### The NSW Government is improving accessibility at Queanbeyan Station

Planning is under way to improve accessibility at Queanbeyan Station. The improvements will make it easier for customers to use the station especially people with additional mobility requirements, parents/carers with prams and customers with luggage. Feedback on the concept design is open until midnight **Sunday 24 October 2021**.

#### Key features of the proposed upgrade include:

- upgrading existing paths and kerb ramps at the front of the station
- creating a new kiss and ride zone in the existing car park close to the station building
- modifying the waiting room
- creating a new accessible car space and taxi zone
- improving toilet facilities
- improving wayfinding and lighting.

#### Have your say

The community is invited to comment on the project's concept design.

Your feedback will help Transport for NSW understand what is important to customers and the community.
