

Transport Access Program

Roseville Station Upgrade

Project update

August 2021

Transport for NSW is upgrading Roseville Station to make it easier to access, especially for people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Pause on construction

In line with recent restrictions introduced by the NSW Government on 17 July 2021 to help keep our communities safe, construction activities on Roseville Station Upgrade are paused until Friday 30 July. We are making arrangements for our work activities to safely recommence from 31 July 2021, as detailed in this notification. Should these restrictions change based on advice by the NSW Government, which may impact the timing of our work, the community will be notified. We encourage you to subscribe to our project email distribution for the latest information, by calling us on 1800 684 490 or emailing projects@transport.nsw.gov.au.

The safety and wellbeing of our workforce and the wider community is our highest priority. You may see some of our workers on site as they prepare the sites for work to recommence. Please be assured our people and worksites follow NSW Health's COVID-19 requirements and will continue to do so.

Upcoming work

Work will continue in August and includes:

- Installation of the new lifts into the lift shafts
- removal of the temporary access staircase on Hill Street
- installation of anti-throw screens around the lift landing on the pedestrian bridge
- installation of canopies and downpipes on the platform
- landscaping and paving work along Hill Street, including paving, formation of retaining walls, and installation of tactiles.

Equipment to be used includes trucks, cranes, elevated work platform, excavators, lighting towers and hand tools.

Night work in August 2021

From **6pm to 7am** on **Monday 2, Tuesday 3, Wednesday 4, and Thursday 5 August 2021**, and from **6pm to 7am Monday 9 and Tuesday 10 August 2021**, work will take place during a Sydney Trains shutdown, when trains are not running.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/roseville

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

Work will take place in the rail corridor, at the station, and on Hill Street, and includes:

- removal of the temporary access staircase on Hill Street
- installation of structural steel on Hill Street
- installation of anti-throw screens around the lift landing on the pedestrian bridge
- installation of canopies and downpipes on the platform.

Equipment to be used includes trucks, cranes, elevated work platform, excavators, lighting towers and hand tools. The work activities will be noisy at times. We apologise for the inconvenience and will minimise the impact by turning off vehicles and equipment when not in use, monitoring noise levels, using non-tonal reversing beepers and acoustic barriers. Lighting towers will be solar powered to further reduce noise.

Access changes during night work

To carry out this work safely, temporary access changes will be in place each night during these works. Traffic controllers and signage will be in place to assist motorists and pedestrians.

The footbridge and station will be closed from **10pm to 5am each night on Monday 2, Tuesday 3, Wednesday 4, and Thursday 5 August 2021**, and from **10pm to 5am Monday 9 and Tuesday 10 August 2021**. A pedestrian detour will be in place via Clanville Road. Signage will be in place to direct pedestrians.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday**, and **8am to 1pm Saturdays**.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website www.transport.nsw.gov.au/roseville.

If you would like to be added to the project distribution list, or for more information on the Roseville Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
