

New Intercity Fleet

Stations and Signalling Modifications

Community Notification – Penrith Station

The NSW Government is delivering a New Intercity Fleet to replace trains carrying customers between Sydney and the Central Coast, Newcastle, the Blue Mountains and the South Coast.

The new trains feature:

- wider seats with arm rests, tray tables and high seat backs
- two-by-two seating for extra room and comfort
- improved accessibility including wheelchair access and accessible toilets
- improved customer information through digital information screens and announcements
- dedicated spaces for luggage, prams, bicycles and wheelchairs
- charging ports for mobile devices
- CCTV and help points
- modern heating and air conditioning

Project overview

Infrastructure modifications and upgrades are needed at various stations along the Blue Mountains Line to support the introduction of the New Intercity Fleet, and to allow improved technology on the new trains.

Upcoming work

Monday 22 February to Monday 1 March

We will be working at **Penrith Station** between **6am to 6pm on Saturday 27 February** and from **7am Sunday 28 February to 7am Monday 1 March 2021**, weather permitting. Activities include excavation work to install a new signal, installation of cables, testing and commissioning.

To ensure the safety of workers and the community, this work will take place during standard construction hours and within a Sydney Trains trackwork possession when trains aren't running.

Please contact Transport Info on **131 500** or visit **transportnsw.info** for information about replacement transport services.

Standard construction hours

Throughout February and March, some work may also occur during standard construction hours of **7am to 6pm Monday to Friday, and 8am to 1pm on Saturdays**.

What you may notice

Equipment to be used includes a vacuum truck, tipper truck, excavator, power and hand tools.

Transport for NSW is committed to minimising disruption to the community. We will take every possible step to reduce noise such as turning off machinery when not in use and locating equipment as far away from residents and businesses as possible. Night shift commissioning activates no noise.

More information

If you have questions or concerns about this work, or would like more information about the New Intercity Fleet, please contact **1800 684 490**, email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects.

For urgent enquiries or complaints about our construction activities, please contact our 24-hour construction response line on **1800 775 465**.
