

Commuter Car Park Program

St Marys Station

Project update

September 2021

Figure 1 Construction progress on the new multi-storey car park at St Marys

Transport for NSW is providing additional commuter parking at St Marys, a joint initiative of the Australian and NSW Governments. Additional commuter car parking at St Marys Station will provide the community with more convenient access to public transport and reduce congestion on our roads.

This project will add two levels to the existing multi-storey commuter car park to provide around 250 new spaces, and support the new Sydney Metro – Western Sydney Airport project. The new metro railway line will service Greater Western Sydney and the new Western Sydney International (Nancy-Bird Walton) Airport. The city-shaping project will deliver new stations at St Marys, Orchard Hills, Luddenham, Airport Business Park, Airport Terminal and the Western Sydney Aerotropolis. The 23 kilometre new railway is planned to open at the same time as passenger services start at the airport.

Construction restart

Construction work on the commuter car park extension has restarted. Our work will be carried out in line with the current Public Health Orders and a COVIDSafe plan is in place. The safety and wellbeing of our workplace and the wider community is our highest priority.

Updated construction hours

Work will generally take place during standard construction hours between **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays.**

In line with the NSW Government's rules for extended work hours, we may undertake work from 1pm to 5pm on Saturday and from 9am to 5pm on Sundays.

Deliveries will be scheduled outside of peak times wherever possible to minimise disruption to local businesses, pedestrians and motorists.

Upcoming construction work

The following work will occur in September:

- demolition of existing structural elements on the rooftop level
- formwork and concrete work will continue
- fit out and painting work will start on the lower levels.

Vegetation removal

Some trees and vegetation will need to be removed for the car park extension. All trees removed as part of the project will be offset with landscaping at the end of the project.

Keeping you up to date

We will continue to keep the community informed with regular project updates. More information about the project is available on our website www.transport.nsw.gov.au/stmarys. If you would like to sign up to our project distribution list, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au. We send project updates via email monthly.

For all urgent enquiries or complaints regarding construction activities, please call our **24-hour Construction Response Line** on **1800 775 465**.

We encourage you to subscribe to our project email distribution for the latest information, by calling us on 1800 684 490 or emailing projects@transport.nsw.gov.au.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
