

Transport Access Program

St Peters Station Upgrade

COMMUNITY NOTIFICATION

AUGUST 2021

The St Peters Station Upgrade is part of the NSW Government's Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with a disability, limited mobility, parents/carers with prams, and customers with luggage.

Mid-week work throughout August

Work to deliver an accessible station will continue throughout the month. Work will be undertaken on the station platforms, concourse, footbridge, and station entrances. This includes:

- Concreting, excavating and associated work on all platforms for new lifts
- Installing timber hoarding on footbridge, platforms and footpath around work areas
- Tree trimming and removal
- Investigating and relocating services around the station
- Investigating existing structures on and around the station
- Deliveries of concrete to Lord Street and Goodsell Street laneway to station
- At Concord Street site office between Bray and King Streets, work including parking for work vehicles, laydown and stockpiles, services connections and deliveries.

Upcoming weekend work

| Dates | Work hours | Location | Activities |
|---|------------------------------------|---|--|
| Saturday 14 August to Sunday 15 August | Midnight Friday to midnight Sunday | The station kiosk area and platforms 1, 2/3 and 4 | <ul style="list-style-type: none">• Removal of materials, excavation and installation of new concrete footings on platforms• Tree removal and trimming within station• Enabling work around the station.• Concrete deliveries to Lord Street Note: trains will not be running on platforms 1 and 2 during this work. |

For up to date information about bus replacement services during these times please visit transportnsw.info or call 131 500.

What to expect

The St Peters Station Upgrade team is committed to follow the advice of the NSW Government in accordance with COVID-19 safe practices.

For more information call 1800 684 490, email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects/current-projects/st-peters-station-upgrade

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465

- Plant and machinery will access the rail corridor via the rail access gate on Concord and Lord Streets
- Installation of ballast pad to assist hi-rail vehicles accessing tracks at Concord Street
- Traffic and pedestrian control will be in place while deliveries are made to Concord Street and the station.
- Equipment to be used throughout the month includes crane truck, excavators, hi-rail trucks, telehandler, elevated work platform, concrete truck and pumps, dump truck, hi-rail crane, hand breaker, saw cutter, chainsaw and chipper, crane forklift and various hand and power tools.

Map of work area

What you may notice

Some of this work may be noisy at times, however we will make every effort to minimise the impact to nearby residents and businesses.

Wherever possible, measures to reduce noise will be implemented including turning equipment off when not in use, positioning equipment as far away from residences as possible, monitoring noise, using non-tonal reversing beepers and stopping work for respite periods.

We apologise for any inconvenience and thank you for your patience while we carry out these works.

Keep in touch

We will continue to keep you informed with regular project notifications and online updates available at transport.nsw.gov.au/stpeters

If you would like more information on the St Peters Station Upgrade, or would like to be added to the project distribution list please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.
