

# Transport Access Program

## St Peters Station Upgrade

### COMMUNITY NOTIFICATION

NOVEMBER 2021

The St Peters Station Upgrade is part of the NSW Government's Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with disability, limited mobility, parents/carers with prams, and customers with luggage.

### Project update

During November we begin work on the foundations for the new lifts. A platform timber hoarding has been installed to create work zones that are separated from the live platforms.

### Out of hours work during November

We are working three weekends this month.

From **11.59pm Friday 12 November to 4am Monday 15 November** we will be working 24 hours a day on the station platforms. Work on platforms 3 & 4 will include:

- excavating and concreting work for new lifts and canopy footings
- relocating and installing services and drainage
- removing material from the site via track to the **Council Street** stockpile and then by road.

From **11.59pm Friday 19 November to 4am Monday 22 November** we will be working 24 hours a day on the station platforms. Work on platforms 1 and 2 will include:

- excavating and concreting work for new lifts and canopy footings
- installing canopies
- relocating and installing services and drainage

From **11.59pm Friday 26 November to 4am Monday 29 November** we will be working 24 hours a day on the station platforms. Work on platforms 3 & 4 will include:

- Excavating and concreting work for new lifts and canopy footings
- Installing canopies
- Relocating and installing services and drainage
- Removing material from the site via track to the **Council Street** stockpile and then by road.

This work will be carried out during a temporary Sydney Trains shutdown. For up-to-date information about bus replacement services during these times please visit [transportnsw.info](https://transportnsw.info) or call **131 500**.

### Upcoming work

We will continue the foundation work for the new lifts and canopy covers. Work includes:

- Excavating and concreting lift and canopy foundations and lift walls
- Landscaping on Railway Lane.

For more information call **1800 684 490**, email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/projects/current-projects/st-peters-station-upgrade](https://transport.nsw.gov.au/projects/current-projects/st-peters-station-upgrade)

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

## Construction hours

*\*Change of standard construction hours: The NSW Government has introduced extended operating hours for construction sites to support the industry during the evolving COVID-19 situation, with sites now able to operate on weekends and public holidays.*

## What to expect

The St Peters Station project team is committed to follow the advice of the NSW Government in accordance with COVID-19 safe practices with the following activities:

- Plant and machinery access to the rail corridor will be via the Concord and Lord Street gates
- Intermittent deliveries of work material and machinery to **Lord Street and Concord Street** and concrete pumping from **Goodsell Street**
- Traffic control will be in place to direct traffic and pedestrians when needed
- Stockpiling and removal of materials from the station, **Council Street** and **Concord Street**
- Equipment used throughout November includes: excavator, vacuum truck, road saw, tipper truck, concrete truck and pumps, dump truck, handheld breaker, circular saw, chainsaw, chipper, task lighting, lighting towers generators, high-rail vehicles and various hand and power tools.

## Work location

## What you may notice

Some of this work may be noisy at times, however we will make every effort to minimise the impact to nearby residents and businesses. Wherever possible, measures to reduce noise will be implemented, including turning equipment off when not in use, positioning equipment as far away from residences as possible, monitoring noise, using non-tonal reversing beepers and stopping work for respite periods. We apologise for any inconvenience and thank you for your patience while we carry out these important works.
