

Transport Access Program

St Peters Station Upgrade

COMMUNITY NOTIFICATION

SEPTEMBER 2021

The St Peters Station Upgrade is part of the NSW Government's Transport Access Program, a NSW Government initiative to provide a station that is accessible to people with a disability, limited mobility, parents/carers with prams, and customers with luggage.

Out of hours work during September

Between **8pm and 5am, from Monday 30 August and throughout September**, we will be carrying out preparatory work on platforms 3 and 4 for the new lift foundations. We will be delivering plant and machinery including an excavator to the platforms and excavating to prepare for concreting the following day.

From **11.59pm Friday 10 September to 4am Monday 13 September** we will be working 24 hours a day on the platforms. Work will include:

- Installing hoarding
- Excavating and concreting work for new lifts and canopy footings
- Relocating and installing services and drainage
- Stockpiling material.

This work will be carried out during a temporary Sydney Trains shutdown when no services will be running. For up to date information about bus replacement services during these times please visit **transportnsw.info** or call **131 500**.

Upcoming work

We will continue the foundation work for the new lifts and canopy covers. Work during the day includes:

- Excavating and concreting
- Installing timber hoarding
- Installing new site offices and tree trimming at the Concord Street site inside the rail corridor
- Excavating and concreting lift and canopy foundations and lift walls
- Landscaping on Railway Lane.

Construction hours

**Change of standard construction hours: The NSW Government has introduced extended operating hours for construction sites to support the industry during the evolving COVID-19 situation, with sites now able to operate on weekends and public holidays. The standard construction hours at this station are 7am-6pm Monday to Sunday, including public holidays.*

For more information call **1800 684 490**, email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects/current-projects/st-peters-station-upgrade

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

What to expect

The St Peters Station Upgrade team is committed to follow the advice of the NSW Government in accordance with COVID-19 safe practices.

- Plant and machinery will access the rail corridor via the rail access gate on Concord and Lord Streets
- Intermittent deliveries of work material and machinery to **Lord Street and Concord Street** and concrete pumping from **Goodsell Street**.
- Traffic control will be in place to direct traffic and pedestrians when needed
- Stockpiling of and removal of materials from the station, **Council Street** and **Concord Street**.
- Equipment used throughout September include: excavator, vacuum truck, road saw, tipper truck, concrete truck and pumps, dump truck, handheld breaker, chainsaw, chipper, task lighting, lighting towers generators, and various hand and power tools.

Map of work area

What you may notice

Some of this work may be noisy at times, however we will make every effort to minimise the impact to nearby residents and businesses.

Wherever possible, measures to reduce noise will be implemented including turning equipment off when not in use, positioning equipment as far away from residences as possible, monitoring noise, using non-tonal reversing beepers and stopping work for respite periods.

We apologise for any inconvenience and thank you for your patience while we carry out these works.

Keep in touch

We will continue to keep you informed with regular project notifications and online updates available at transport.nsw.gov.au/stpeters.

If you would like more information on the St Peters Station Upgrade or would like to be added to the project distribution list please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
