## Taree Station Upgrade

### Have your say

#### The NSW Government is improving accessibility at Taree Station

Planning is under way to improve accessibility at Taree Station. The improvements will make it easier for customers to use the station especially people with additional mobility requirements, parents/carers with prams and customers with luggage. Feedback on the concept design is invited until **Monday 8 November, 2021**.

#### Key features of the proposed upgrade include:

- a new accessible path from the station entrance to the car park
- a new bus shelter
- upgraded access to a new accessible car space
- upgrade of the existing ramp between the car park and platform
- modifications to the waiting room and ticket counter
- improved amenities including ambulant toilets
- a new boarding assistance zone and new platform tactile
- improvements to way finding and lighting

#### Have your say

The community is invited to comment on the project's concept design.
