

Transport Access Program

Narara Station Upgrade

Project update

March 2021

Construction on the Narara Station upgrade is progressing well with construction of the lift pits and lift shaft installation underway during February.

Upcoming work

Work will continue in March and includes:

- utility investigations and site surveying work
- installation of hoarding around the lift shaft locations
- lift shaft construction including installation of concrete and steel lift shaft components
- lift installation works
- piling and earthworks to enable construction of the new pedestrian ramp from Narara Valley Drive to the station.
- platform grinding and painting
- services relocation and installation

Equipment to be used includes surveying equipment, vacuum trucks, elevated working platforms, excavators, cranes, semi-trailers, piling rig, scaffolding, light vehicles and hand tools.

Weekend work – 13 to 14 March 2021

Weekend work will be carried out from **3am Saturday 13 March to 10pm Sunday 14 March 2021**. The work will include the installation of tactiles on both platforms, the installation of steel roof and canopies for the lifts, platform grinding and painting, handrail upgrades and modifications to the footbridge containments (subject to change during detailed design).

Equipment to be used includes surveying equipment, elevated working platforms, cranes, semi-trailers, drilling machines and hand tools.

Wherever possible, measures to reduce noise will be implemented including turning equipment off when not in use, positioning equipment as far away from residences as possible, monitoring noise and using non-tonal reversing beepers.

Temporary changes to commuter car parking

The Narara Valley Drive Commuter Car Park **will be temporarily closed from 5am Monday 15 March to 6pm Friday 19 March 2021**. Please allow extra travel time when driving to Narara Station during this time.

During March, **up to 10 car parking spaces in Narara Valley Drive Commuter Car Park and up to 14 car parking spaces Goonak Parade Commuter Car Park will be temporarily unavailable** during lift shaft and ramp construction work.

This is to ensure the safety of customers and workers while lift construction activities are underway. Traffic control and signage will be in place to assist road users and pedestrians. Please see the map below for more information.

Temporary bus stop relocation

The **bus stop located along Narara Valley Drive will be relocated approximately 20 metres North** of its current position during earthworks and construction of the new pedestrian ramp. Traffic control and signage will be in place to assist road users and pedestrians during this time.

Narara Station Upgrade Map Legend:

-  Work zones for piling and lift construction
-  Construction site compound area
-  Pedestrian access to/from footbridge
-  Bus Stop

Construction hours

Standard construction hours are now **7am to 6pm every day**. This is to facilitate social distancing on construction sites and support the health and wellbeing of workers. **These changes will be in place until Thursday 25 March 2021.**

From **Friday 26 March 2021**, the standard construction hours will revert back to **7am to 6pm Monday to Friday and 8am to 1pm Saturdays only.**

For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

For more information call **1800 684 490**,
